### Supervised Farming Programs Of Members Cover Many Fields

The Supervised Farming Committee of the annual program of work this year is composed of Elvin Smith, chairman; and members George Bonds, Robert Allen, Ronny Lee, Jerry Brown, Simon Rodriguez, Ronnie Wilcox, Teddy Price and Junior Solis.

Members supervised farming programs include productive enterprises, improvement projects, and supplementary farm jobs. This year members have had productive enterprises in breeding beef cattle, commercial beef animals, fat steers, fat swine, breeding swine, fat lambs, poultry, rabbits, field crops, fruit and nut trees and gardening.

Members with breeding beef animals include Stanley Smith, Dannie Maberry, Robert Allen, Jimmy Hawkins, Mike Smith, Randy Smith, Jim Bonds, John Holland, Robert Moore, Jackie Buske, Holman Jones, Charles Stanford and Jim Wainwright.

Robert Moore and Jackie Buske had fat steers.

Boys with commercial beef projects include Billy Cooper, George Bonds, John Poe, Tommy Ferguson, Jerry Hill, Jim Bonds, Robert Moore, Sam Ferguson, Rickey Acklin, Jackie Buske, Elvin Smith, Pryor Smith, Jimmy Watson and Gary Cauble.

Ronnie Jenkins, Buddy Jenkins and Keith Bundas had fat lambs.

Boys feeding out fat swine include Randy George, Mike Murphree, Danny Contreras, Jesse Mandoza, Joe Fudge, Ru-

pert Compton, Lorenzo Rodriguez, Elvin Smith, Simon Rodriguez, Ronnie Wilcox, Junior Solis, Herman White, Gaylon Moore, Robert Parramore, Reginald Wells, Bobby White, Ronnie Rogers, Kenneth Berry, Rodney Dominey, Charles Stanford, Agustin Barron, Ramon Morales, Raul Solis, Randy Smith, J. R. Binnicker and Robert Pearce.

Boys with developed or who are developing swine breeding programs include Elvin Smith, Herman White, Reginald Wells,

#### Local FFA Chapter Meets Monthly

The Hamlin FFA Chapter holds its regular monthly meeting the first night of each month. Setting a regular meeting date and place is the duty of the conduct of meeting committee of the program of work.

This committee has Jackie Buske as chairman and Pryor Smith, Bobby Robertson, Charles Stanford, Pat Jenkins, Johnny Flowers, Jim Wainwright, Stonie Price and Ruben Marantes as members.

Meetings are held in either the high school auditorium or the high school cafeteria. Official ceremonies are used for all meetings and special programs or films are often part of Chapter meetings.

If you want to seal a shotgun barrel from lint after oiling, put an empty shell of appropriate size in the breech, then insert a cork in the muzzle.

Bobby White, Bill Kitchen, Jimmy Niedecken, Pryor Smith, Pat Jenkins, Randy George, Wayne Gruben and Jimmy Hastings.

Jerry Brown, Elvin Smith, Larry McCoy, Jackie Buske, Dan Bruner, and Holman Jones all have field crop projects. These include cotton, wheat and milo.

Jerry Priddy and Dennis Weaver chose fruit and nut trees as their project.

Members with poultry projects include Joe Adams, John Berry, Donnie Jones, Doug Carlton, Tex Rhodes, Ronnie Jenkins, Pryor Smith, David Wallace, Raymond Nichols, G. W. Kirkland, Aubrey Fry, Jerry Farnsworth, Billy Cooper, Albert Falcon, Ronny Lee, George Smith, Johnny Lujan, Bill Kitchen, Robert Allen, Granville Houghton, Frank Guerra and Phillip Simpson.

Rudy Mendoza, Teddy Price, Jimmy Price, Pryor Smith, Bobby Robertson, Johnny Flowers, Stonie Price and Roy Phillips are raising rabbits for projects.

This year members have exhibited at the Fisher County Fair, The West Texas Fair, the Jones County Fat Stock Show, the Abilene Fat Stock Show and the Fort Worth Fat Stock Show. Herman White showed the Reserve Champion fat swine and the Grand Champion breeding swine at the Jones County Fat Stock Show and the Grand Champion Barrow at the Abilene Fat Stock Show. Donnie Jones and Doug Carlton had Champion boilers at the Jones County Show.

**ABILENE WINNER**—Herman White is shown with his heavyweight Hampshire barrow which was judged grand champion of the swine division of the Abilene Fat Stock Show in January.

#### Rupert Compton Heads Membership Committee for FFA

The membership committee's responsibility is to contact all students enrolled in classes of vocational agriculture and to encourage these students to join the Future Farmers of America. Any student who has ever been enrolled in vocational agriculture is eligible for FFA membership.

The membership committee this year was headed by Rupert Compton. Other committee members were Aubrey Fry, Jerry Farnsworth, Billy Cooper, Rudy Mendoza, Lorenzo Rodriguez and Albert Falcon. Through the efforts of this

committee, ninety-two boys became members of the Hamlin Chapter of the Future Farmers of America.

The membership committee is also responsible for nominating candidates for Honorary Chapter Farmer Degrees. This degree is the highest award the local chapter can present. This award is presented to local citizens who have contributed to the local FFA Chapter and vocational agriculture program. The last award presented went to Bob Craig, editor of the

Hamlin Herald, for his work in publicizing work of the local chapter.

#### Rubber Snubber

Here's how to keep bait-casting reels free from snarls and tangles when transporting or storing them:

Cut a strip of rubber out of an old inner tube. Then cut a hole in each end. Slip one end over the rod butt or the reel seat; the other end over the reel handle.

### Local FFA Chapter Takes Part in Many State and National Events

Donnie Jones was appointed to head the committee to plan chapter participation in state and national activities this year. Serving on Donnie's committee are Gary Cauble, Jimmy Hastings, Gary Connally, Mike Murphree, Keith Bundas, Paul Long and Danny Contreras.

Activities for FFA members to participate in on the state and national levels include the State FFA Convention, The National Convention, state judging contests, National FFA Foundation Awards program, National FFA Week, and the FFA public speaking contest. Also chapter members who qualify may apply for advanced FFA degrees such as the Lone Star Farmer Degree and the American Farmer Degree.

This year Mike Smith, Tommy Ferguson, Robert Moore, and Donnie Jones attended the state convention in San Antonio. The chapter is planning on sending several members to the next state convention in Houston this summer.

Jim Kincaid was elected a member of the National FFA Band and attended the National FFA Convention in October.

Members are beginning preparation for the various judging contests this spring, and soon members will be closing out record books to see who wins the various National FFA Foundation Awards medals. It is also hoped that several junior

**NATIONAL BAND** — Jim Kincaid, National FFA Band member, is shown in the official uniform of the band as he appeared at the National Convention in Kansas City, Kansas.

or senior members will apply for their Lone Star Farmer Degrees this year.

It is easier to travel by plane than by car in Alaska.

### THE FUTURE OF FARMING LIES IN YOUR HANDS

We give heartfelt congratulations to you young men who are preparing to better serve America through agriculture. As future farmers, you will be better schooled and skilled in science, mechanics and sound management — to bring us greater agricultural advancements. We offer support and encouragement.

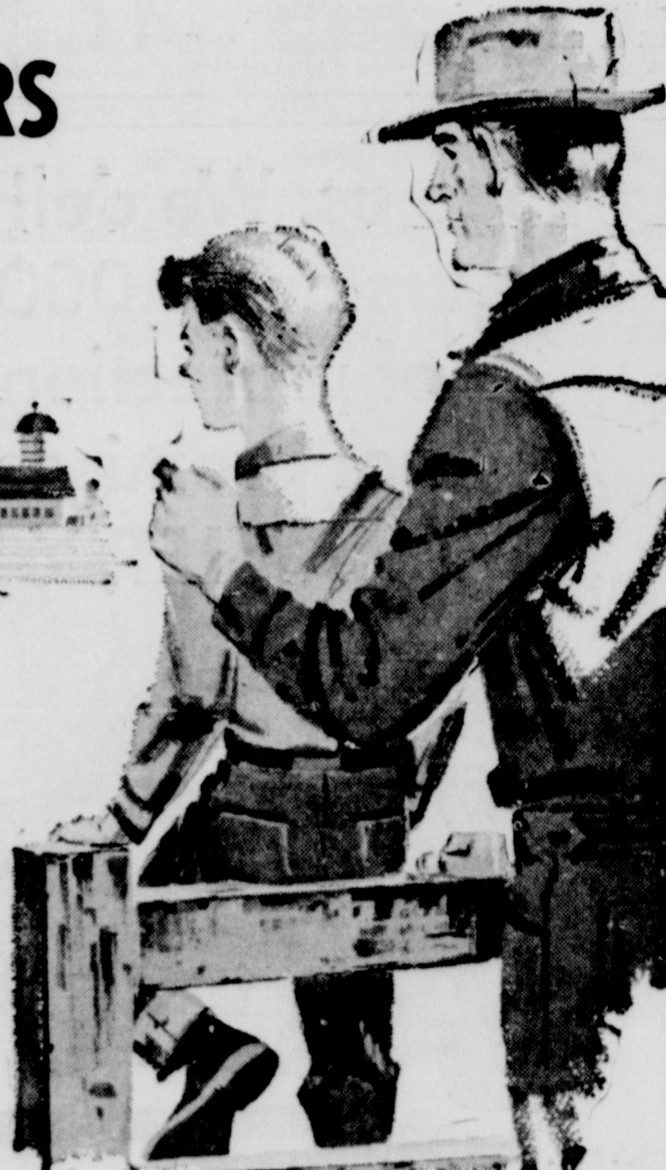

**Farmers & Merchants National Bank**

HAMLIN

## We Salute You, FUTURE FARMERS OF AMERICA

### LET US SALUTE THE LEADERS OF TOMORROW — TODAY!

The FFA is furnishing well-trained leaders and citizens for responsible positions in agricultural business and industry, professional agricultural work, farming, and ranching. Four out of every ten employed persons in the United States work in some phase of agriculture.

## PLAINS CO-OP OIL MILL

HAMLIN DIVISION

HAMLIN, TEXAS

SP 4-1641

**BUILDING CATTLE FEEDER**—Buddy Jenkins and Elvin Smith, third year vocational agriculture students, are shown working on a cattle feeder for local farmer and rancher, Richard Young.

## Many Projects Done for Area By Hamlin FFA

Planning community service is the job of the community service committee of the program of work. Headed by chapter sentinel Tommy Ferguson, the committee also included Dan Bruner, Jerry Hill, Jerry Stuart, Ronnie Jenkins, Buddy Jenkins, Ronnie Rogers and Jess Mendoza.

Community service projects may include pruning or budding trees by vocational agriculture classes, building equipment such as cattle feeders for farmers in metal shop, loaning to farmers equipment such as "squeeze chute" built in shop, or helping set up tables and chairs for local banquets. Sometimes an educational booth is built for flower shop sponsored by the Hamlin Garden Club. Improved farming practices used by members and sponsoring short courses for adult farmers are also community service projects.

Small nails were cut from sheet metal in the early 19th century.

## Local Chapter Has Calendar Full of Activities for Each Year

Each year is full of activities for members of the Hamlin FFA Chapter. Many activities have been completed and lay behind while many more remain in the future.

Activities completed include: Attending the State FFA Convention in San Antonio. Annual FFA swimming party and watermelon feed. Exhibiting at the Fisher County Fair. Exhibiting at the West Texas Fair. Building a float for the Homecoming Parade. Electing Nancy Ford as chapter sweetheart. Helping plan the Stamford FFA District program of work. Attending the National FFA Convention. Serving as host for the Stamford FFA District Leadership Contests. Entering four teams in the Stamford FFA District Leadership Contests. Exhibiting at the Jones County Livestock Show. Exhibiting at the Abilene Fat Stock Show. Exhibiting at the Southwestern Livestock Show and Exposition at Fort Worth, and Annual Educational trip for all chapter members except first year vocational agriculture students (Trip included a tour of Burrus Feed Mills and the Livestock Show at Fort Worth).

Activities still remaining on the calendar for this year include: Odessa Invitational Judging Contest. San Angelo Fat Stock Show Judging Contests. San Angelo College Judging Contest. Sweetwater Judging Contests. Abilene Christian College Judging Contests. Texas Technological College FFA Judging Contests. Stamford FFA District Banquet. State FFA Judging Contests. Stamford FFA District meeting to elect officers for the 1965-66 school year. The Annual Father-and-Son banquet. The Area II FFA Association Convention and The Leadership training school for local officers.

## SHINED AND READY

"And your feet shod with the preparation of the gospel of peace." Ephesians 6:15.

These shoes fairly shine and sparkle and are ready to take their owner proudly any place. Society dictates that we should be well turned out and that our feet be shod with well-groomed footwear. The Bible tells us that we should be clad in the whole armour of God, and that our feet should be shod with the preparation of the gospel of peace. The gospel is this: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit." Romans 8:1

St. Peter advises, "Be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear."

Come to church this week that you might learn of Him and that you might be prepared to give this good news of the gospel to others.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

PREWIT MOTORS ★ S. E. FIRST

**WORK ON SCRAPBOOK**—Jimmy Hawkins, chapter reporter and chairman of the public relations committee, and Randy Smith, committee member, are busy putting articles in the local chapter scrapbook.

## Good Public Relations is Goal For Hamlin of Chapter Committee

Good public relations are always desired by any organization and the Hamlin FFA Chapter is no exception. Jimmy Hawkins, the chapter reporter, heads this year's public relations committee. He is assisted by Randy Smith, J. R. Binnicker, Robert Pearce, Joe Adams, Randy George, Jimmy Watson, John Berry and Wayne Gruben.

This year various FFA members of the Hamlin Chapter have brought good publicity to Hamlin High School and to the town of Hamlin. Members and their accomplishments include: Holman Jones, Stanley Smith, Mike Smith, Robert Moore, Jimmy Hawkins and Tommy Ferguson—chapter officers.

Anna Adams—last year's chapter sweetheart who was first runner up for Jones County Fair Queen and second runner up for sweetheart of the West Texas Fair.

Stanley Smith—vice president of the Stamford FFA District.

Jim Kincaid—member of National FFA Band and attended the National FFA Convention.

Nancy Ford—this year's chapter sweetheart.

Herman White—Grand Champion Barrow of Jones County Fat Stock Show, Grand Champion Barrow of the Abilene Fat Stock Show.

Donnie Jones—Grand Champion Broilers of Jones County Fat Stock Show.

Doug Carlton—Reserve Champion Broilers of Jones County Fat Stock Show.

In addition to having good write up in the local paper and the Abilene paper, several of the above have had articles to appear in magazines, have appeared on television and have been on the radio.

Jimmy and his committee are responsible for keeping a chapter scrapbook of articles concerning the activities of the chapter.

Brooklyn Bridge was started in 1869 and finished in 1883.

## Cooperation With Other Members Helps Each FFA Boy Have More

With more than one person, saving members one to two cents adding his weight to a job and pulling with others, much more can be accomplished than several persons pulling individually. Thus, many cooperative activities are planned by the cooperation committee of the annual program of work. Herman White is the chairman of this committee. Serving with him are John Poe, Gaylon Moore, Robert Parramore, Reginald Wells, Jerry Priddy, Johnny Lujan, George Smith, and Bobby White.

Cooperating with the chapter and the Hamlin BCD in a beef heifer chain are Charles Stanford, Stanley Smith, Mike Smith and Lanny Foster. These boys each received a registered beef heifer through the chapter and are raising the heifers to develop a beef breeding program of their own. Later they are to return to the chapter a registered heifer that can be placed with another boy so he may begin a breeding beef program.

Many members save money by buying broilers cooperatively. Boys decide on the number of baby chicks they want and sent in one order to a hatchery. This

Many of the FFA articles are ordered cooperatively. Members usually combine their orders for FFA jackets and order once or twice a year from the W. A. Holt Company in Waco. FFA rings, stationery, pins, etc. are ordered the same way from the Future Farmer's Supply Service in Alexandria, Virginia.

Chapter members cooperate with other chapters of the Stamford District in planning and carrying out district activities. Members also cooperate in conducting the Jones County Livestock Show.

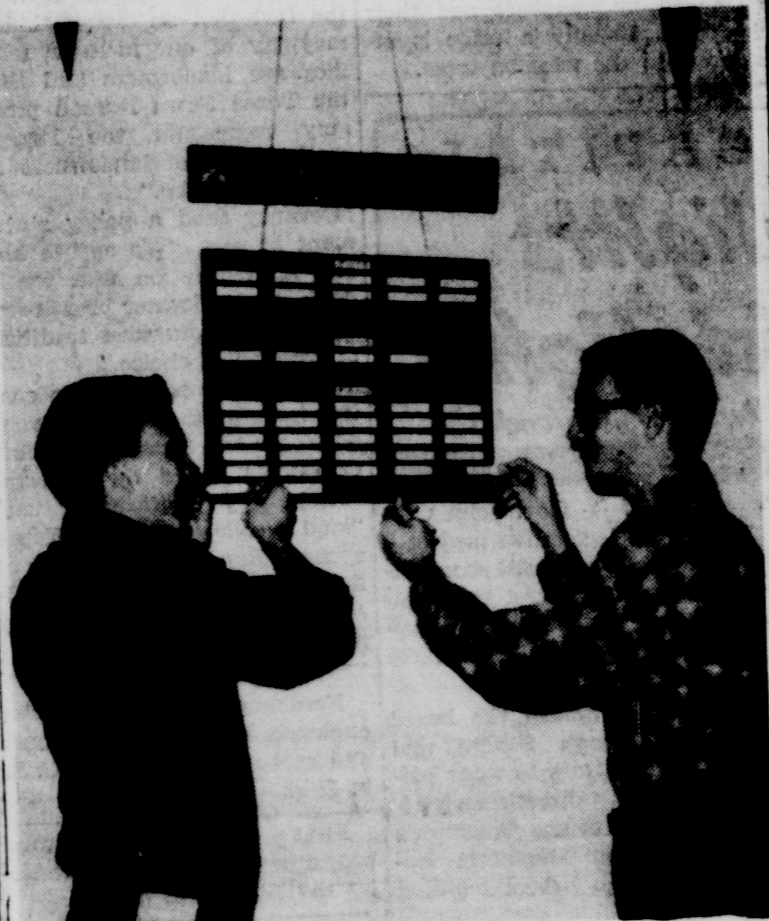

**BCD HEIFER**—Mike Smith is shown with his beef heifer, part of the beef heifer chain sponsored by the Hamlin Board of Community Development.

**FFA HONOR ROLL**—Holman Jones, chapter president, and Jim Kincaid, chairman of scholarship committee, are shown posting the FFA Honor Roll for the fall semester.

## Permanent Honor Roll Encourages Scholarship Among Members

The Scholarship Committee of the annual program of work sets several goals each year to encourage scholarship among members of the chapter. This year the committee is headed by Jim Kincaid. Working with him are Eddie Connally, Danny Pope, Agustin Barron, Dennis Weaver, Roy Phelps, Victor Rangel and Eliseo Martinez.

A new goal this year is the posting of a permanent FFA Honor Roll. This honor roll is compiled at the end of each semester and includes the names of all members who made an "A" in vocational agriculture, an "A" average overall and a "B" average overall.

For the fall semester of the 1964-65 school year, thirty-two members of the chapter made the FFA Honor Roll. The list includes:

Smith, Rickey Acklin, Tommy Ferguson, Holman Jones, Rupert Compton, San Ferguson, Robert Pearce, Larry McCoy, Randy George, Paul Long, Gary Caudle, Keith Bundas, Larry Farnsworth, Jim Bonds, Rudy Mendoza, Danny Contreras, Wayne Gruben, Donnie Jones, Doug Carlton and Phillip Simpson.

In addition to this honor roll, a temporary honor roll is posted each six weeks on the class bulletin boards of the vocational agriculture classrooms. Also the chapter presents at the annual Father-and-Son banquet certificates to members who maintain an "A" average overall for the entire school year. A medal is given to the chapter member having the highest scholastic rating for the year.

## FFA Chapter Pays Own Way With Fund Raising

The activities that the Hamlin FFA Chapter participates in are financed by fund raising activities of the chapter. The main fund raising activities are selling Halloween candy, building and selling shop projects, and dues.

To determine the amount of money needed to finance chapter activities and to decide on ways of obtaining this money is the duty of the earnings and savings committee of the program of work. Chapter treasurer Robert Moore serves as chairman of this committee. Other committee members are Phillip Simpson, Sam Ferguson, Rodney Dominey, Jimmy Price, Jimmy Niedecken, David Wallace and Rickey Acklin. This committee prepares an annual budget for the chapter.

This committee also encourages thrift among FFA members and encourages members to make wise investments and wise decisions with their supervised farming programs.

## Gary Jay Nominee For Class Favorite

**ABILENE (Spl.)**—Gary Jay, 1964 graduate of Hamlin High School, is a nominee for Freshman Favorite at Abilene Christian College.

Jay, an accounting major, is the son of Mr. and Mrs. Eddie Jay, Hamlin.

He is a member of the ACC chorus.

Honorees, one boy and girl, will be announced in May when the yearbook, The Prickly Pear, is released.

*We Salute You,*

**FUTURE FARMERS of AMERICA**

We wish to extend our best wishes to the Future Farmers of this area who are now taking part in the local Vocational Agriculture program. The success of this area depends on well trained future leaders.

## FFA Chapter Finds Time for Recreational Meetings, Too

Even though much of the time is filled with leadership tests, livestock shows, judging contests, and other activities, FFA members usually find time for recreational meetings too.

Each summer the chapter has a swimming party and watermelon feed for all members and new high school freshmen boys.

This recreational activity allow entering freshmen a chance to become acquainted with the other members and to discuss different parts of the vocational agricultural program with present FFA members and advisors.

The swimming party and other recreational activities are

set up as goals for the chapter by the recreation committee of the program of work. Dannie Maberry is chairman and is aided by Ramon Morales, Tex Rhodes, Doug Carlton, Ismael Mendoza, Richard McComack and Raul Solis.

Other recreational activities

usually include volley ball games following business meeting and a FFA-FHA fun night. Once each year the chapter invites the FHA chapter to a meeting and various games are played by members and their guests. Usually a prize is offered to the winning team.

**STATE CAPITAL**  
**Highlights**  
**AND Sidelights**  
by Vern Sanford  
TEXAS PRESS ASSOCIATION

AUSTIN — Gov. John Connally's top legislative project—creation of a powerful coordinating board to control state colleges and universities — apparently is headed for early enactment.

Bills to establish the board breezed through Senate and House committees to floor calendars without direct attack after members of the Governor's Committee on Education Beyond the High School testified for them.

Quick and easy committee approval contradicted early rumors that establishment of the strong central board would meet vigorous opposition in the legislature.

It seems that opposition, if there is to be any, will be confined to specific details of the bill and not to the overall proposal.

If enacted, the 17-member coordinating board would have broad powers over all aspects of higher education in Texas — junior colleges, as well as senior institutions.

It would have the final word on launching or eliminating college degree programs, control the addition or deletion of courses, develop future plans for higher education and pass on proposals to create new senior colleges.

It would supplant the existing Commission on Higher Education, although members of the commission would be eligible for appointment to the board.

Said Governor Connally: "I am pleased with the creation of the two committees. This reflects what I have said all along — that there is a great will and desire on the part of the Legislature to make some real strides toward excellence in higher education."

Rep. Dick Cory of Victoria is handling the bill in the House and Sen. Bill Moore of Bryan has it in the Senate.

**Women's Rights Debated** — Legislative committees set aside another Ladies' Night to hear a familiar debate — should the state constitution be amended to insure that no legal rights be "denied or abridged because of sex?"

Without even hearing arguments for or against, a Senate panel quickly agreed that the amendment should be submitted to the voters.

On the other hand, the House committee listened to hours of testimony. Most of it was in opposition to such an amendment. The State Bar and spokesmen for university law schools led the opposition.

Opponents claim the amendment goes too far and "would open a Pandora's box" of future litigation. Specific statutory changes were recommended as preferable for correcting

such discrimination as might exist.

Spokesmen for the women's groups, who have stubbornly pushed the amendment, report with considerable conviction: after all these years of talking about giving women full powers to manage their property and other rights long denied them, little serious effort has been made to repeal the discriminatory statutes one at a time.

**Pooling Bill Near Passage** — Although subject to bitter legislative controversy two years ago, the oil and gas lease pooling bill cleared the Senate with no more than a handful of dissenting votes.

There was practically no floor discussion on the bill which is backed by Governor Connally and Lt. Gov. Preston Smith, as well as most oil and gas interests.

Its House companion landed in a friendly sub-committee after an extended hearing.

Bill would authorize Texas Railroad Commission to prescribe requirements for owners of small tracts to pool their interests for oil and gas drilling purposes when they cannot get together voluntarily.

Among the opponents of the bill were members of the Texas Farm Bureau and local farm bureaus in oil counties which have had small-tract problems.

C. H. Devaney of Coahoma, TFB president, asked the committee to consider the opposition to the bill "in the light of the fact that an overwhelming majority of our member families are landowners and that the Texas Farm Bureau probably represents the largest single group of landowners in any organization."

Devaney read a policy statement in part, "We oppose any and all legislation that would deny the landowner or mineral owners the American tradition of freedom of choice."

Free choice remains the central issue as the measure went on House and Senate calendars. Opponents called the measure "compulsory unitization" and "land collectivism." House sponsor, Rep. Wayne Gibbons of Breckenridge, said it is intended "to encourage voluntary pooling."

Ferdinand Hassler, a Swiss engineer, made the first coast and harbor survey for the U. S. in 1816.

First practical motion picture projector was made in France by the Luniere Brothers.

## Stanley Smith Organizational Committee for FFA

Stanley Smith, chapter vice president, heads the organizational committee this year. He is assisted by Raymond Nichols, Joe Fudge and G. W. Kirkland.

This committee is responsible

for seeing that all committees working on annual programs of work have their goals written and approved by the chapter. After chapter approval, the program of work is forwarded to the Area II Association Office in Big Spring.

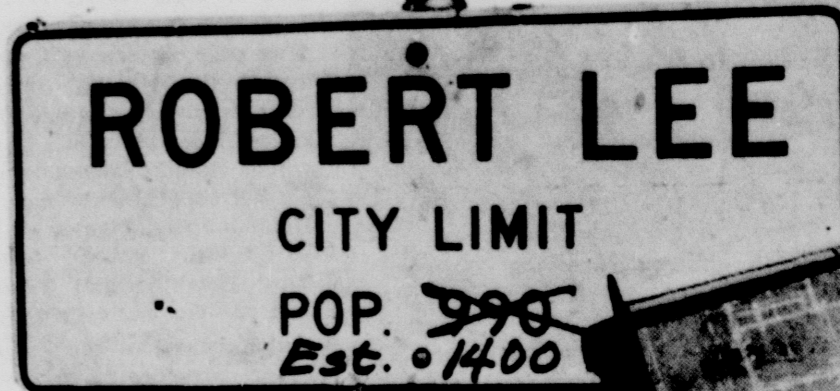

This committee also sees that chapter officers have official FFA Manuals and that members receive their Green Hand

or Chapter Farmer degree pins.

First bicycles were called "dandy-horses" in England.

## PATTERNS FOR PROGRESS IN COMMUNITY DEVELOPMENT

This is a sign of active community development

Many towns in our service area are engaged in or planning community development programs. One outstanding example is the continuing development of Robert Lee. Here, aggressively energetic citizens have built a new Court House, a new school building, a new Post Office, and a modern bank building. They have developed a City Park with recreation building, swimming pool, sports fields and a nine-hole golf course; modernized the City Hall, paved city streets and voted a bond issue to enlarge the local hospital. And, they can now claim a population gain. Robert Lee's proud record is a Pattern for Progress of what can be done in Community Development which improves the chances of continued growth, making the community a better place in which to live, work and play. Growth conscious towns are invited to contact their local WTU manager for assistance from our area development representatives.

## Follow that truck

(but if you do, plan to step lively)

You're looking at one of the busiest trucks in the world, especially this year. During 1965 Southwestern Bell's motor fleet will travel 88 million miles in the biggest construction program ever undertaken. A one-year \$350 million effort (this means up to 17,500 new jobs among the firms which sell supplies, services and materials to the telephone company) to make the world's

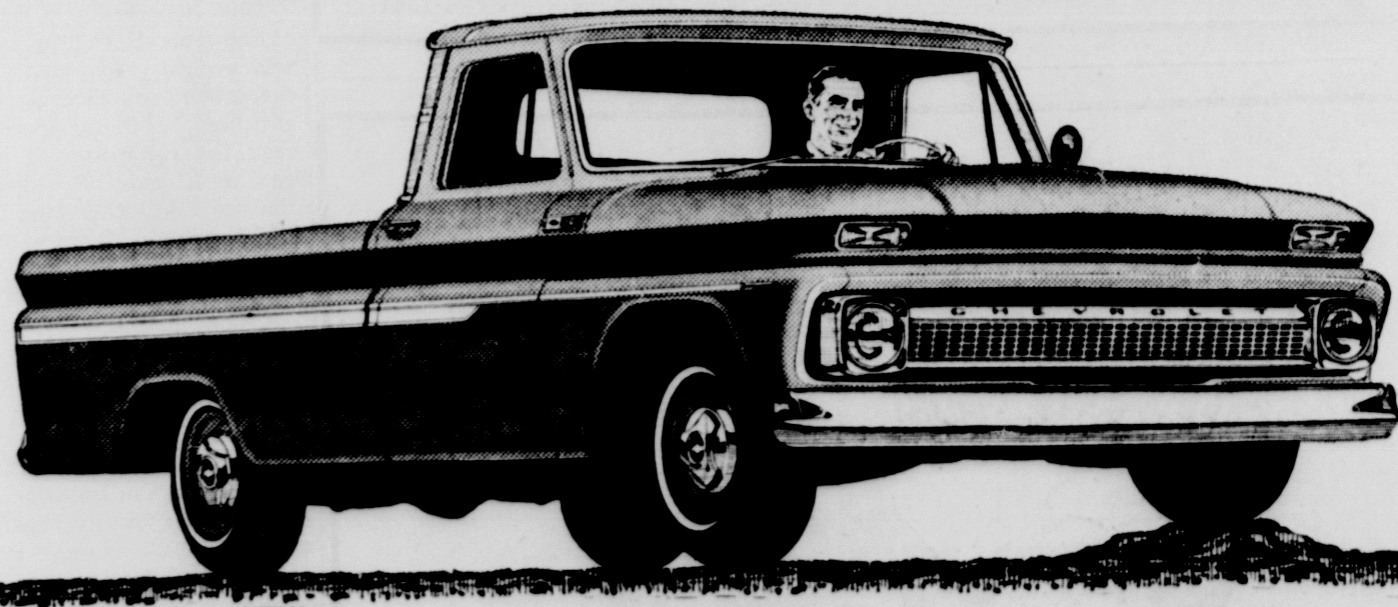

best telephone service even better. You will benefit directly. In cities, on farms, at home, at your office or in your car, you'll be able to call easier and faster in all kinds of weather. Next time you see a big telephone truck, take a second look. You'll be looking at rolling proof of a really massive effort to make your telephone serve you better, of more personal value to you.

**Southwestern Bell**  
1965: Your Bonus Year for Telephone Service

# Chevrolet

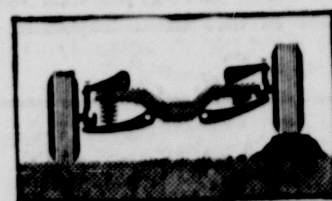

## workpower

"walks" right over bumps and trouble

Independent front suspension takes the "truck" out of truck ride. It smooths rough roads, protects truck, driver and cargo from excessive jolting. And on Chevrolet pickups it's a proved system with millions of miles of user experience behind it. Try it out on one of Chevrolet's great Fleetside or Stepside pickups. It's one of the big reasons that Chevrolet is first choice with pickup users from coast to coast.

Telephone your Chevrolet dealer about any type of truck

# THE HAMLIN HERALD

NO MORE RED PAPER, PLEASE—Mrs. John Johnson, Hamlin Herald employee, agrees with many Herald subscribers that they can get along just fine without anymore red papers. The Feb. 11 issue of the Herald was printed on "Valentine Red" paper that seemed

to be pretty but caused considerable problems in reading. The red paper was originally ordered for Christmas but did not arrive until late Jan. and was used for Valentine's Day. (Photo by Tim Jones)

## Hamlin Schools Set Open House Mar. 2

The Hamlin Public Schools will take part in the Texas Annual Public Schools Week March 1 through March 5 with

The local schools will open all week for parents to visit at any time and open house is planned for Tuesday even-March 2. The open house will start at 6 p. m. in the grade school and at 7 p. m. at high school.

There will be exhibits of teaching materials, library facilities and other phases of school activities.

In announcing the activities for the week, Superintendent C. F. Cook, said, "We will appreciate having each parent and others visit their schools on the above dates. You will have the opportunity of meeting your child's teacher and observe samples of work done by your child. This is also a good opportunity to evaluate your school."

### Wreck Victim Expresses Thanks To Hamlin People

Mrs. Margaret Quan, a resident of San Francisco, who was injured in an automobile accident near here Jan. 19, left a note in the room when she was dismissed from Hamlin Memorial Hospital Feb. 2 expressing her appreciation to the people of Hamlin who made her stay in Hamlin memorable.

Her son, Thomas Quan, was also injured in the wreck and was hospitalized.

Her note of appreciation follows: "I thank you—God for all of you—Romans 1:8. I thank God I have suffered so little after our terrible accident."

I thank the Church of Christ for the use of the Bible.

I thank God for the Baptists, the Methodists and the many individuals for their prayers, their visits, presents, offers of help and for the simplest smile, nod, or greeting when passing my door.

I thank God for the privilege of having met some of the nicest people in the world.

May He cause His light to shine upon the dear hearts and friendly people of Hamlin, Texas, and give them peace...

Most sincerely,  
Margaret Quan  
San Francisco, Calif.  
Jan. 1965

## Hamlin Camp Fire Council Names Committees to Serve Current Year

Committees to serve during the current year were named at the Wednesday night meeting at the Hamlin Camp Fire Council by the president, W. L. Hunter Jr.

Named to the program committee were Mrs. G. W. Kincaid, chairman, Mrs. Kenneth Riddle, Bill Feagan and Bill Early. They will be in charge of the annual Dad - Daughter banquet.

### Mrs. Craig Elmore Dies in Rotan After Extensive Illness

Mrs. Craig (Sookie) Elmore, 67, died at 10:30 a. m. Sunday in Rotan after an illness of 12 years. Services were held at 3 p. m. Monday in the Hamlin Church of Christ with the minister, Mr. Thomas Cudd, and Mr. Mardell, Church of Christ minister from Hobbs, N. Mex., officiating.

Born Nov. 24, 1902, in Daingerfield she was the daughter of the late Mr. and Mrs. Dave Kirkham. She attended East Texas State Teachers College at Commerce.

March 13, 1923, she was married at Hughes Spring to Craig Elmore, an electrician and farmer. She was a member of the Church of Christ, Order of Eastern Star and served as worthy matriarch at three different times.

Survivors include her husband; one son, Don of Hamlin; one daughter, Mrs. Earl (Craigolene) Smith of Stamford; four brothers, Terry and Castle Kirkham, both of Daingerfield; D. J. of Winters, Conner of Corpus Christi; four sisters Mrs. Opal Faye Kirkham, Mrs. Leon Sellers, both of Daingerfield, Mrs. J. C. Barrett of Fort Worth, Mrs. Jake Gravley of San Antonio; and four grandchildren.

Burial was in Hamlin East Cemetery. Pallbearers were Corbie Bond, Ira Clements, John Hester, J. D. Ferguson, D. F. Park and Bill Harbert.

### Bridge Winners

Bridge winners Tuesday evening at the Hamlin Duplicate Bridge Club meeting were as follows: Dr. and Mrs. M. L. Smith, first; Mrs. Billie Joe Wilson and Mrs. Wilson Brannon, second; and Jack Russell and Mrs. Gene Knebel, third.

The camp and grounds committees is composed of Bill Feagan, James Brown, and Mrs. Kincaid.

The Day Camp committees includes Parker Kelley, Charles Tugwell and Mrs. Kincaid.

James Harrison and Lewis Earl Madden were named for public relations.

Mrs. Bill Shira, Mrs. Jerry Waggoner, Bill Early and Charles Absher make up the finance committee.

The nominating committee consists of Mrs. Riddle, Lewis Earl Madden and James Brown. Mrs. E. N. Jenkins is registrar.

The Council voted to eliminate the awarding of camperships in the annual candy sale which started Feb. 11. In the past a set amount of the proceeds was set aside to provide a campership for the Camp Fire girl and the Blue Bird girl selling the most candy. This year a percentage of each sale is returned to the girl's group to be used for a special project or event.

The Council members discussed securing a qualified swimming instructor for summer camp and are especially interested in finding a qualified person locally if possible.

The Council also voted to invest \$30 for books to be used by the leaders. Several books purchased last year have been returned and Mrs. Kincaid, president of the leaders association, said it would help a great deal if the books not being used could be returned to be used by the present leaders.

It was announced that a called meeting of the council would be held before the Dad-Daughter banquet.

### Court Appoints Election Judges

In a short business session held Monday, Jones County Commissioners Court appointed election judges for the various voting boxes in the county for tieemh. Com- nrtotep rbb n for the general election. If there should happen to be one. The court also allotted Mrs. Mary Newberry, home demonstrating agent, \$50 expense money to attend a short course at College Station.

## Lions Club Sets Pancake Supper Date March 12

Date for the annual Lions Club Pancake Supper has been set, according to Bob Craig, president. The supper will be served Friday, March 12, in the high school cafeteria.

Serving will start at 5:30 and run until 8:00, according to Ellis West, chairman.

A menu of pancakes, bacon, and coffee or milk will be served with everyone getting all they can eat for 75c for adults and 50c for children under 12.

There will be a cake and pie auction held during the serving period.

The supper will be the same night as the Senior Play and the Lions Club urges everyone to have a pancake supper and then at the play in the auditorium.

## Central Avenue Baptist to Hold Banquet Friday

The annual Sweetheart banquet of the Central Avenue Baptist Church will be held Friday evening at 7 p. m. in the Fellowship Hall.

Theme for the program will be "The Captain's Table."

The church - wide banquet will be attended by persons of all ages in the church with special emphasis on the youth.

One of the highlights of the evening will be the crowing of a "captain" and a "matie" from the young peoples group and also the adult group.

Master of ceremonies will be "Captain" Danny Cary who will be guiding the "vessel" from beginning to end.

Rev. J. L. Cartrite, pastor of the Lamar Street Baptist Church of Sweetwater, will be the featured speaker. He is an accomplished chalk - talk artist and has been much in demand in this area for several years.

## 50 to 60 Expected Here Sunday For W-T Barrel Racers Meet

The West Texas Barrel Racers will hold their monthly meet here at the Hamlin Riding Club Arena Sun., Feb. 21, at 1 p. m.

Some 50 to 60 girls are expected for the meet if the weather is favorable.

The meet will get underway with this run of events barrel racing, pole bending, flag racing, and goat tying.

There are three divisions, the novis, the open and the junior division. In the open division Marie Voss of Snyder, Dorothy Bourland of Odessa, Paulette Allen of Rochester are among the top contenders. In the junior division Debbie Ferguson of Peterburg is out in front.

The Hamlin area has several members in the WTBRA.

## All Three City Councilmen Ask Re-election

Three City Councilmen have filed for re-election according to the office at City Hall. Those who have filed are George Campbell, Cecil Sellers and Irby Weaver.

Weaver was elected to the council only last year to fill the vacancy created when Hollis Madden resigned to run for mayor.

Deadline for filing is noon, Mar. 6.

## Singing Sunday

The Jones - Fisher County singing will be held at Four-square Gospel Church Sunday at 2 p. m.

O. L. Cohorn, chairman of the singing organization, said Monday that singers were expected from Haskell, Rochester, Abilene, and Sweetwater. Everyone is invited.

among them are June and Debbie Elmore, Beverly Gibson, Sandra Jones of Hamlin and Joy Jameson of Aspermont. The public is invited to

come out to the arena to see some top barrel racers of the state. There is no admission charge. The concession stand will be serving hot coffee,

## County Valuation Increase Causes Less State Aid Cut Than Feared

Amount of additional money \$252,504 instead of the \$248,640 last year.

Everett Beaver, county school superintendent, explained Monday that Stamford, Anson and Hamlin each will pay about one fifth of this amount. This would indicate, he said, that the increase cost to each of these districts for this phase of the school program will be about \$800 — not the \$2000 that was at first thought.

Because of the increase in county tax valuation from \$25,491,960 to \$31,223,355, it was feared that the total added cost to the county might be as much as \$10,000. Tax valuations are one of the factors in determining amount local district must pay under the Gilmer - Aikin law.

However, because of a drop in other factors — value of manufactured products, oil, gas, etc., the county's index dropped from .224 to .216.

This would have indicated a reduction in the local share except that total cost of the school program over the state next year will be greater than in 1964. This increase meant that Jones County's share will be

## Grand Jury Resumes Session

Grand jury in 104th District Court at Anson will reconvene Thursday, Feb. 25. O. D. Roland of Hamlin is foreman. Working with the jurors will be County Attorney Ben Nieddeck and District Attorney Richard Price.

Mr. and Mrs. Donald Lindner of Hamlin are the parents of a son born Feb. 12 at 10:46 a.m. He weighed 7 lbs. 11 oz. and was named Reed Arthur.

## Showers Wed. Bring Rainfall To 1.43 Inches

The year's rainfall was brought up to 1.43 inches with slow showers measuring .39 here early this week. Rainfall Tuesday was recorded as .20 and Wednesday before noon an added .19 had fallen.

Ice covered the city Tuesday morning but disappeared during the early afternoon. Only one minor accident occurred during the icy conditions.

Other Rainfall for February includes .04, Feb. 8; .50, Feb. 9; and a trace of snow Saturday, Feb. 13.

During January .50 was recorded at the local pump station.

## 31 from DePriest Attend NHA Meet Sat. in Midland

Thirty-one members of the DePriest New Homemakers of America Chapter went to Midland Saturday for the West Texas District N. H. A. Convention.

For the first time, an executive council was set up instead of electing officers. Euelia McPherson of the DePriest school was one of the five girls selected for the council. This enables her to go to Prairie View College for the state meet Mar. 18-19-20 to represent this chapter and the district of which Hamlin is a part.

The N. H. A. here is under the direction of Mrs. Billie M. Lewey, who accompanied the girls.

## Leadership, Cooperation and Citizenship Are Aims of FFA

The primary aim of the Future Farmers of America is to develop agriculture leadership, cooperation and citizenship. Mike Smith, chapter secretary, is chairman of this year's leadership committee. Others on the committee are Bill Kitchen, Jim Bond, Larry McCoy, Sammy Hester, Orville Houghton, Frank Guerra and Kenneth Berry. Activities to develop leadership have included a leadership training school for chapter officers and entering four teams in the Stamford District Leadership Contests.

Last summer four chapter officers, Holman Jones, Mike Smith, Jimmy Hawkins and Tommy Ferguson, attended the leadership training school. The boys were acquainted with the duties and responsibilities of their offices.

Last November the Hamlin Chapter served as host for the Stamford District Leadership Contests and entered four teams in the contests. Jim Bonds, Robert Moore and Larry McCoy placed fifth in the farm radio contest. Wayne Gruben, Keith Bundas, Ronnie Rogers, and Rickey Acklin placed fourth in the FFA quiz contest. J. R. Binnicker, Rickey Acklin, Pat Jenkins, Randy George, Ronnie Rogers, Keith Bundas, and Pryor Smith placed third in the junior chapter conducting contest. Randy Smith, Holman Jones, Rupert Compton, Donnie Jones, Gary Connally and Stanley Smith placed third in the senior chapter conducting contest. These contests give mem-

bers valuable training which they can use in the future.

The chapter also sends delegates to various state, area and district FFA meetings. Stanley Smith, Holman Jones and Jimmy Hawkins helped plan the district program of work last fall. This spring the Hamlin Chapter hopes to get one of its mem-

bers elected to a district or area office. In April the district banquet will be attended by several members of the local chapter. Then later in the spring and summer representatives of the Hamlin Chapter will attend the Area II Convention in Midland and the Texas Association Convention in Houston.

FFA CHAPTER OFFICERS— Officers of the Hamlin Future Farmers of America are: left to right, front row, Jimmy Hawkins, reporter; Nancy Ford, sweetheart; Holman Jones, president; Tommy Ferguson, sentinel; back row, Robert Moore, treasurer; Stanley Smith, vice president, and Mike Smith, secretary.

# Local Chapter Celebrates National Future Farmers of America Week

## Neinda Philosopher Comes Out, Almost, With A National Drive to Whip the Common Cold

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 must have had a bad cold recently, his letter this week indicates.

Dear editor:

I was at a complete standstill out here on this Johnson grass farm yesterday hoping that somewhere in the plans for the Great Society they include a battery for a car or tractor that won't ever go dead, draw its energy from the sun or a television tower or anything just so when you push the button something happens, not that dead silence that makes a man despair before his

day starts.

Then I got to thinking. While I was at a standstill because of a dead battery, the President of the United States was at the same time at a standstill because of a bad cold, and I hope he used the situation to include a war on colds in his Great Society plans. As far as I'm concerned, there's no place in such a society for dead batteries or common colds, especially the latter.

For the price of one nuclear powered submarine or one misfired shot at the moon we ought to be able to get a bunch of scientists in a laboratory somewhere and tell them to for-

get the cost and not come out till they've found a vaccine for the common cold. It's my belief that any scientists with the brains to whip the whooping cough can whip the common cold. Somebody's just not trying hard enough.

In fact, if the bad cold had been fatal, we'd already have whipped it, but so long as it just makes people feel miserable, everybody seems to think it's something we have to endure from now on, like droughts and floods and nagging wives, but I don't agree. In fact, I'm half-toying with the idea of starting a national March of Pennies Drive to stamp the thing out, but since I won't have the time to serve as chairman, I've got to get into town to see about this battery. I guess you could send the money to The Herald and let Publisher Bob Craig send it on to President Johnson, earmarked for the War on the Common Cold.

There's nothing more ridiculous than a group of finely-honed scientists hovering at the base of a ten-story, multi-billion-dollar rocket aimed at the

A weekly public service feature from the Texas State Department of Health

## Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

muscle cramps, a stuffy nose and bed wetting?

These are examples of food fads, fallacies and myths present today—even in such scientific circles that cherries help arthritis, that honey prevents tific and sophisticated times as the nuclear age.

The old notions that fish and celery are "brain foods," or that oysters increase fertility are harmless. But when garlic pills are promoted for high blood pressure, or grapes for the treatment of ulcers and cancer, the price of ignorance may come high.

Claims may range from a specific food being a "cure-all" to the myth of overprocessing modern-day foods.

Health authorities are especially concerned about the prob-

moon having to postpone the flight on account of one of the astronauts has come down with a cold.

Yours faithfully,  
J. A.

lem of "food supplements" as cure-alls for conditions which require medical attention. Although a quack food remedy may not cause harm itself, the delay in securing proper medical attention could be serious, or perhaps even fatal.

Beware any product - food or patent medicine - advertised as a cure-all, whether you hear about it in an advertisement, from a door-to-door salesman, over the back fence, or in a book.

Be skeptical if you hear or read the myth of modern-day overprocessing of food. This claim is usually followed up by a sales pitch for a food supplement or special cooking utensils sold at greatly inflated prices.

The fact is, that modern food processing methods have been devised to preserve nutritional values or to restore them to foods. For example, most fruits and vegetables are canned or frozen at the peak of nutritional perfection. And such pro-

ducts as flour, bread, milk and used for each product. The oleomargarine are normally fortified or restored with vitamins and minerals.

Whatever the health quacks or faddists say, the truth of the matter is that we Americans today have a bigger supply of food, a larger variety of choice and more nutritional value in the food we eat than ever before. By patronizing all departments of a modern food store we can easily supply all our nutritional needs.

Eat cherries and honey—or whatever you like—along with a balanced diet, but don't expect miracles.

(A weekly feature from the Division of Public Health Education, Texas State Department of Health.)

### Good Season for Citrus Buys, Says HD Specialist

COLLEGE STATION — This is the season for good citrus buys, says Mrs. Gwen Clyatt, Extension Service consumer marketing specialist.

Supplies of citrus are larger this season than last. Citrus fruits vary in price now, due primarily to difference in size and variety. Size also relates to the number than can be packed into the shipping carton

Juice oranges usually have smooth skins and may or may not have seeds. Temple oranges look much like large tangerines except that the skin is pebbly and usually darker in color.

## Oldest Chevrolet Known to Exist

The oldest Chevrolet known to be in existence—a 1912 touring model—is destined for an honored place in the city that produced it. One of the first Chevrolets made in Flint, the car was purchased by the Industrial Mutual Association for donation to the Alfred P. Sloan Foundation. Transportation in the city's College and Cultural Center. Seated in the car (l. to r.) are Allen J. Dillon, IMA president; Dr. Roger Van Bolt, Sloan museum director; William Crick, IMA managing director; and Gregory Fauth, a Flint insurance man and antique car buff who located the car.

Ovens cover almost three-fourths of the world.

### PIPER PATTY—

## Pipers and Piperettes End Season; Play Tickets on Sale

By NANCY FORD  
CAROLYN REYNOLDS  
MAROLYN REYNOLDS

Basketballs and uniforms went into mothballs Monday morning as basketball season had closed Friday night. The mothballs, however, do not cover up the memories of a fine season. The Pipers won first place trophies in the Haskell and Hamlin tournaments, second place in the Stamford tournament, and finished with a 17-12 won-lost record. The squad, composed of four seniors and four juniors, deserves congratulations from all of us.

The Piperettes' record is also one that deserves recognition with a 13-13 won-lost record. However, hard luck seemed to be with the girls as they lost to several teams by only one

or two points. For example, Aspermont beat the girls twice by only one point each game. Another interesting fact was that 18 games were won or lost by less than three points.

—HHS—

Tuesday afternoon the tickets for the Senior Play, "Monday Mad," were placed on sale. Prices are 25c for students and 50c for adults. Reserved seats are 25c. This lively comedy which is to be presented March 12 at 7:30 p.m. will be a "barrel of laughs" for all. Plan now to attend the Senior Play!

—HHS—

"Sunday Costs Five Pesos" has been chosen for the Inter-scholastic League One-Act play contest. Mrs. Charles Scott is the director. Paula Kim is the assistant to the director.

In the cast are Sheila Stone,

Sunday night my fever had broken so I thought I must be well, and it was our chance to see the Sunday night shows on T. V. Well, we struggled through "Branded", with poor, Chuck Connors who has been so unjustly treated, then watched Adam Cartwright clear his doubles name, then we fell in bed to have one night mare after another. Not the good old booger kind, but some thing of a science fiction kind of a thing, making you wonder if you were asleep or awake. Un-

as Berta, Nancy Ford as Salome, Jane Ferguson as Tonia, Margie Young as Celestina, and Gary Cauble as Fidel.

The play is a comedy based on a law that still exists in many small Mexican towns: "A woman who starts a fight on Sunday must pay five pesos."

## FAIRVIEW NEWS

By MRS. ELMER JOINER

This column may be titled Fairview News, but it would be better for it to be Flu News. Didn't have any news to write this morning, as you don't learn anything in bed with the flu, and to tell the truth you don't care how many people went visiting or had company. You are only interested in how bad you feel and it seems as if half of the folks are in the same fix, so you don't even make the news yourself by being sick.

It does seem as if we did have about seven-tenths of an inch of rain the first of last week, it stopped the sand from blowing any way. Couldn't say for sure just when it happened, that was before B. F., meaning before the Flu and about 48 hours sleep at one stretch. Now days when you lose touch for that long, you are just out of it.

My better half for the past 41 years, came down Tuesday night with a good case, but heck! I never do take anything, or so I thought, for Thursday night I took it too. Never being sick much in my life, I am like all healthy people, I think I must be going to die, so as I said I just went to bed and slept.

til this flu decides to depart, don't think I will suffer through any more television, unless I look at Dr. Casey tonight to see if he can give me a good, quick, cure for a good fashioned cold. Hope to see you next week all bright and chipper, and nosing around as usual, to find out all the news once again.

Mr. and Mrs. Bob Craig attended the mid-winter meeting of the West Texas Press Association in Odessa this week end. Craig, publisher of the Hamlin Herald, is second vice president of the organization and was in charge of the program which featured John Ben Sheppard as the banquet speaker Saturday evening.

The house cat is believed to be a cross between the sacred cat of Egypt and the European Wildcat.

The moon is almost completely waterless and airless.

## It Goes to Your Head

by Maids, Beauty Consultant to Guiche

Wave goodbye to the bouffant hairdo. Welcome the newest silhouette—the cropped and sleek, short and soft look. And welcome it without the use of sticky, tangy cellophane tape.

Smooth, head-hugging cheek curls and bangs are a must for the forward-looking, fashion-conscious woman of 1965. What's more, the sleeker coil-fure is as becoming to the not so young as it is to the blithely young. But there are problems—as there always will be with the smartest hairdos.

The question is, how to hold those cheek curls, bangs, wispy ends, and upsweeps in place? The answer is, Guiche (Geeh) by Posner. It holds hair in place invisibly, either hair to hair, or hair to cheek. With it you can throw tape away and stay set all day.

## YEARS AGO ...

### FORTY-FIVE YEARS AGO

R. T. Mitchell and wife and two girls, recently of Waco, are now making their home in Hamlin. He is a mechanic at the Pluto Garage.

Hallie Burnett of Houston is a guest of Mrs. H. S. Scales, her cousin.

J. W. Ezell, cashier of the First State Bank, returned last week from a trip to his old home at Cuba, Alabama.

Mrs. William Riddle was called to Red Oak last Friday by the serious illness of her father, J. N. Russell.

### THIRTY-FIVE YEARS AGO

Hamlin Pied Pipers cleared another hurdle toward the Jones County basketball championship Monday night by defeating the Anson Tigers 32 to 11.

C. W. Robinson of Rowden was here Tuesday visiting friends. He formerly lived in Hamlin, and was returning home from Knox City, where he attended the funeral of a sister, Mrs. Ida Alexander.

### TWENTY-FIVE YEARS AGO

Constance Teague and Lois Ellen Stell went to Denton, Sunday to enroll as students in North Texas State College.

Albritton Grocery advertises the following: Brown Beauty coffee, 14 cents per pound; apples and oranges, one cent each; mixed sausage, 10 cents pound.

Eddie Jay was elected president of the Hamlin Chamber of Commerce when directors met Monday evening.

### FIFTEEN YEARS AGO

Another burglary in Hamlin in recent nights was reported Sunday night by Howard Food Market. Extent of the loss was not determined at press time. Hamlin Chapter of Future Farmers of America held their annual Father-Son Banquet Tuesday evening. M. B. Tem-

pleton, first vocational agriculture teacher in Hamlin, County Agent of Nolan County, was speaker.

### TEN YEARS AGO

Only 2,918 poll taxes were issued by the county tax assessor-collector. Average voting strength for the county is more than 4,000.

Drive to raise some \$20,000 for construction of a new swimming pool at the Hamlin City Park is being directed by Jack Russell.

Pioneer members of Lions Club to be honored at a dinner observing the 25th anniversary and ladies night.

Gray, white or black with satin-finish chrome. Price including bulb: \$19.95

THE HAMLIN HERALD

## LETTERS TO EDITOR

### Ministerial Group Warns of Pending State Legislation

Dear Editor:

HAMLIN, TEXAS  
FEBRUARY 16, 1965

The Hamlin Ministerial Alliance wishes to bring to the attention of the citizens of Hamlin some possible legislation to be brought before us during the 59th Session of the Legislature.

House Bill 26, by Mr. Willis J. Whatley of Houston and co-sponsored by several others over our state would attempt to bring the "OPEN SALOON" back to Texas. This bill states

that "Whiskey would be placed in small bottles and sales allowed in any restaurant in the state, even in a dry area." Senate Bill 8, the companion bill to House Bill 26, again legalizes the selling of liquor in a dry area.

The second item of legislation we wish to call to your attention is House Bill 49. This Bill is sponsored by Mr. Maurice Pipkin of Brownsville and provides for the Licensing and taxing of horse racing and pari-mutual wagering in Texas by local option election.

One of our concerns about this Bill is that it is possible that Governor Connally may

come out in favor of this bill. We believe that every citizen should know where our Governor stands in this matter.

Several other Bills will be called to your attention periodically through the year.

We encourage every voting citizen to be prepared to vote.

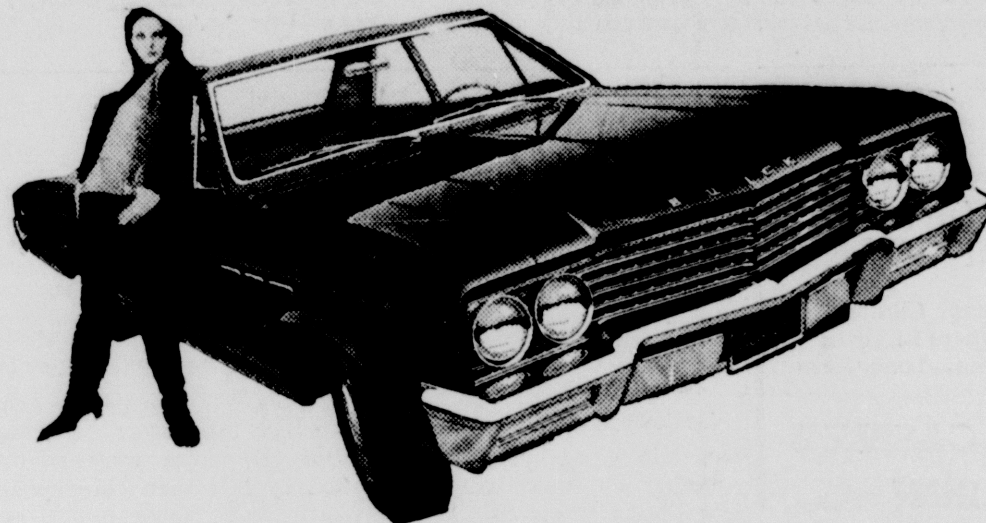

We urge you to write to your Representative and your Senator to make your feelings known concerning these matters. They are Honorable David Ratliff, Senator, District 24, Senate Office Bldg. Austin, Texas.

Honorable Roy Arledge Rep. District 83, House Office Bldg. Austin, Texas.

Sincerely,  
Hamlin Ministerial Alliance  
William Irwin president  
Royce Womack secretary

## Fancy car: Buick Special V-6

Fancy. But not too fancy. Just enough to make your friends think you've found oil in the basement. You may think so, too, when you get acquainted with Buick's V-6—the best thing that ever happened to 6 cylinders. Its 225 cu. in. delivers 155 h.p., without delivering you to the gas station all the time. As to the plain, homely price: you'll find it looks restful in the family budget. We design the Buick Special so you can drive a Buick and still enjoy the other good things in life. See your Buick dealer. Remember: a Buick for only \$2343.00\*. That's the plain, honest (inspiring) truth.

Plain price: \$2343.00

\*Manufacturer's suggested retail price for Special V-6 2-dr. coupe. Price includes Federal Excise Tax and suggested dealer's delivery and handling charge (transportation charges, accessories, other optional equipment, state and local taxes additional).

Wouldn't you really rather go first class?

Former Resident, Dorthelia  
Brown, Wed in Silsbee Friday

Marriage vows were exchanged in Silsbee in the Woodrow Baptist Church of Silsbee Friday evening at 7:30 p. m. by Dorthelia Brown and Billy Guy Owens.

Parents of the couple are Mr. and Mrs. Cyriel L. Brown, former residents of Hamlin, of Silsbee, and Mr. and Mrs. T. H. Owens of Buna. Mr. and Mrs. Lawrence Griffin of McCaulley are grandparents of the bride.

Vows were read by Rev. Charles Pringle. Given in marriage by her father, the bride wore a formal gown of white peau de soie with jacket of Chantilly lace designed with long sleeves, fitted bodice and round scalloped neckline. The bouffant skirt was accented with a lace inset

MRS. BILLY GUY OWENS  
... formerly Dorthelia Brown

in the front and a train of white organza edged with scallops of Chantilly

Attendants were Connie Elizabeth Brown, sister of the bride, maid of honor; Brenda Audas and Charlotte Johnson Jasper, bridesmaids, all of Silsbee.

Cecil Parson of Buna was best man. Groomsmen and ushers were Don Smith, Gehrig Brown, Wiley Brown, and Robert Charles Lane.

The reception followed in the Fellowship Hall.

Following a wedding trip to Galveston the couple will be at home after Feb. 15, in Buna.

The bridegroom is attending Lamar Tech of Beaumont and is employed at East Texas Pulp and Paper Company in Evadale.

The bride a graduate of Silsbee High School, is a niece of Mrs. Jack Russell, Mrs. Don Pyron, Buford Griffin, all of Hamlin, and Alfred Griffin of McCaulley.

Covered Dish Affair  
Held by Naomi  
Sunday School

The Naomi Sunday School Class of the First Baptist Church met Feb. 9 for a covered dish luncheon in the home of Mrs. A. Branscum.

Mrs. Bonnie Bingham brought the devotional on "What Is Time? The hostess were Mrs. Branscum, Mrs. Jack Pemberton, Mrs. Jack Wright, Mrs. Ernest Lee and Mrs. Weldon Carter.

Visitors were Mrs. Alton Mayfield and Mrs. A. H. Riley.

Others present were Lucille Cunningham, teacher, Martha Rhoton, Madge Rich, Erma Hall Jewell, Hargrove, Lola Donham, Lillian Greer, Inez Hall, Ilyn Parker.

"Happy Birthday" was sung for Mrs. Cunningham and Mrs. Greer.

Junie Jordan and  
James Boiles Wed  
Here February 12

Mr. and Mrs. C. J. Jordan are announcing the marriage of their daughter, Junie, to Mr. James Boiles. The couple was married Feb. 12 at 8:30

KEEPING UP TO DATE ---

Mrs. Mary Y. Newberry  
THE DESIGN TRENDS  
This spring prints may be bold and giant sized.

THERE WILL BE PATTERN-WITH-PATTERN  
This is a wonderfully fresh and imaginative young look seen throughout the market which artfully combines various sizes and types of patterns with the greatest of ease. New two-togethers scramble stripes and dots, tweeds and prints, or plaids and stripes.

THERE WILL BE "LOTS OF DOTS"

The selection of dots runs from diminutive to saucer size in classic and abstract versions. Spots are happy on all types of fabrics from sportclothes to silks. Surprise color combinations of tangerine on grapefruit yellow, hot pink or scarlet or poison green on sky blue look newest. Clipped and floored Swiss dots are favorites.

CARNIVAL STRIPES

The greatest, gayest variety of stripes yet seen for over-the-counter will be available this spring. Stripes, in random widths range from delicate and feminine to bold and brazen.

CHECKS

The simplest classic checks, both printed and woven, are an important trend on all fabric types.

THERE WILL BE NOUVEAU PLAIDS

Magnified abstract plaids printed or cut on the bias create striking new textile designs. Many also offer a simplified companion plaid or stripe.

MODERN ART WILL ALSO BE SEEN:

Stylized abstractions featuring bold strokes, enormous blocks, or dramatic geometric shapes in startlingly large repeats are especially powerful in the dramatic contrast of black and white.

FABRIC HIGHLIGHTS WILL FEATURE: SCULPTURED AND DIMENSIONAL FABRICS:

They will be achieved through printing, weaving, stitching, embossing or lamination. Many of these fabrics, because of their raised, puffed quality, give the effect of being quilted, a most desired attribute this season. The establishment of lace is a leading fashion fabric highlight; Heavy venose lace imported cotton cluny lace newest in geometric or strips designs. Lavish embroidery and applique-work further enhance many fabrics.

BEGUILING SHEERS FOR FEMININE FLATTERY have a fragile look in new, not so fragile, polyester blends. Flowing chiffon and voile, available plain or delicately printed; the return of georgette and the introduction of gauze; jacquards; the frosty appeal of chambray; and the young, demure look of dotted swiss in woven and flocked versions; all are equally

p. m. in the Foursquare Church parsonage.

The ceremony was read by the pastor, Rev. Spencer Liles. The couple will reside in Sweetwater.

and shantung provide the background for many of the season's best prints.

There will be exciting novelty knits, in a variety of new stitches and new fiber mixtures. Knits may be straw-like or linen-like in raschel, hand-crocheted, chenille or ribbon-type weaves.

There will be coated fabrics... Mock leather, a new 100% cotton fabric treated with a silicone resin coating that simulates the supple look and feel of genuine leather, is one of the newest textile developments. Boasts include washability, dry cleanability, and water repellency; lets you wipe away wrinkles. Vinyl coated cotton prints with a patent leather shine are offered for rainwear, sailing jackets and decorative uses.

STRETCH is still a popular fabric for active people. The

variety continues to soar. Effective merchandising and intensified education at all levels are vitally necessary in order to better acquaint the consumer to the virtues stretch fabrics have to offer for all apparel applications. The "living dimension" in stretch fabrics allows for maximum comfort plus better fit, longer wear, superior recovery, increased wrinkle resistance and greater freedom of movement. Stretch fabrics are clearly here to stay.

Jerry Williams, manager of the Plains Co-op Oil Mill, and Watts Fletcher, manager of the Hamlin Farmers Coop Gin, were in Houston early this week attending the Joint annual meeting of the Texas Federation of Cooperatives, Texas Cooperatives and Gainers Association and Houston Bank of Cooperatives. They returned Wednesday.

Another son, C. S. Bonner and Mrs. Bonner of Snyder, came for the special occasion. William Herschel, famous 18th century astronomer, was a professional musician.

Dinner Honors Mrs.  
Florence Bonner  
On 97th Birthday

Mrs. Florence Bonner was honored on her 97th birthday Wed. with a dinner in the home of her son Harold Bonner, where she has lived for the past four and one half years.

## OLD GLORY...

BY JUDY WHITE

The Variety Club met Tuesday, Feb. 9, in the home of Mrs. Bill Wright. After a business meeting the group played word games.

Mrs. John L. Barner of Aspermont will be hostess for the next meeting on Feb. 23.

About one - half inch rain fell over the Old Glory area last week.

Mrs. Jack Doty of Las Vegas Nevada, is here visiting her parents, Mr. and Mrs. W. G. Wienke. Mr. Wienke returned home last week after spending several weeks in a rest home in Lubbock. Also visiting with the Wienkes last weekend were their sons, Roy and Les Wienke, both of Lubbock.

A meeting has been scheduled Feb. 24 at 7:30 p. m. in the Aspermont High School Auditorium for the proposed Junior College program according to last week's Aspermont Star. Whether you favor a

Junior College in this area or not, it is important to the citizens of this community to attend. Mr. Musgraves of the Junior College Board at Austin will discuss the program.

Old Glory school will participate in District 13B literary and tennis events this year. Other schools in the district are Avoca, Eula, Hawley, Lueders, McCauley and Noodle. The schedule for this year's Interscholastic League events include: One - act Play contest at Hawley, Apr. 2; District Literary events at Avoca April 9. Regional events at Stephenville, April 23, the State contests are scheduled for May 6, 7, and 8.

**BASKETBALL:**  
Old Glory Girls played their final game of the season last Friday night at Rochester winning the game, 60-43. They placed second in district. They lost only two conference

## FACTS AND FALLACIES ABOUT YOUR HEART

**FALLACY:** MOST CASES OF HEART ATTACK AND STROKE ARE HOPELESS!

**FALLACY:** HIGH BLOOD PRESSURE IS NORMAL AFTER MIDDLE AGE!

**FACT:** WITH MODERN METHODS OF TREATMENT MOST VICTIMS RECOVER AND LEAD PRODUCTIVE LIVES!

**FALLACY:** RHEUMATIC FEVER (FREQUENT FORERUNNER OF RHEUMATIC HEART DISEASE) IS "CATCHING!"

**FALLACY:** CHILDREN BORN WITH HEART DEFECTS CAN'T ENJOY ACTIVE LIVES!

**FACT:** NOT SO! BUT "STREP" THROAT, WHICH CAN LEAD TO RHEUMATIC FEVER IF UNTREATED, IS INFECTIOUS!

**FACT:** TODAY FOLLOWING HEART SURGERY, MOST FACE A NORMAL OUTLOOK!

**STROKE**

**RHEUMATIC FEVER**

**HEART ATTACK**

**FALLACY:** THE HEART FUND IS A ONE DISEASE CAMPAIGN!

**FACT:** THERE ARE MORE THAN 20 FORMS OF HEART DISEASE AND MANY TYPES OF BLOOD VESSEL DISEASE! THE HEART FUND FIGHTS THEM ALL!

games, both to Paint Creek. They played a total of twenty-nine games this season. They won twenty and lost nine.

The boys were defeated, 54-45 in their game with Rochester that night.

**THE 4-H**

The Old Glory Senior 4-H Club met on Wednesday, Feb. 10, after school. Rita Baldree led the Motto, Pledge and Prayer. Nancy Vahlenkamp, president, presided for the business meetings. The group voted to have a family night on March 5 Recreation and de-

coration committee members for the event are Marvin Vahlenkamp, Mike Baldree, Stephanie Letz, Kenneth Jones and Judy White. Refreshment committee includes Reva Letz, Rita Baldree, Brenda Palmer, Carolyn Sander, Judy Sander, Nancy Vahlenkamp and Stanley Diers.

Mike and Rita Baldree served refreshments. Adult leaders Mrs. Anita Baldree and Mrs. Bernice White were present.

Judy Sander has been appointed to direct the March of

## Sterile Screwworm Flies Not Being Released in U.S. Now

**MISSION** — Sterile screwworm flies, which have been released by the billions during the three years this campaign against the costly livestock pest has been in existence, are no longer being dispersed in the United States, but instead are virtually all being air dropped in northern Mexico, according to County Agent, Kirby Clayton.

No sterile flies will be released in Texas or neighboring states except for those required to treat isolated screwworm outbreaks that may occur this year, eradication officials have announced.

This action is expected to greatly decrease the possibility of the Southwest becoming reinfested as a result of fertile flies migrating northward out of Mexico where the insect has not yet been eradicated. Fertile flies, when mated with the sexually - sterile, plant reared flies, do not produce offspring.

The move is part of the second step in the eradication program, that of establishing a fool-proof barrier zone along the international boundary to prevent reinfestation of "screwworm-free" areas. Attainment of the first goal—eradication of the insect from the Southwest—was declared a year ago by the U. S. Department of Agriculture and its partners in the project, the Texas Animal Health Commis-

sion and Southwest Animal Health Research Foundation.

Although the barrier zone stretches from the Gulf of Mexico to the Gulf of California eradicators are presently concentrating their resources on the eastern and western coasts of Mexico where colonies of fertile screwworms pose the principal threat to the Southwest.

With fly drops discontinued in Texas, eradication workers will be relying heavily on farmers and ranchers for information on infestations that result from flies that do manage to slip through the barrier. Further outbreaks can be headed off if cases are treated during the early stages of development, Clayton said.

**Frying Chickens**  
Rated Good Buy  
A & M Specialist

**COLLEGE STATION** — Frying chicken continues to represent a good buy for the consumer, says Mrs. Gwen Clayatt, Texas A & M University Extension Service consumer marketing specialist.

The fryers are low-cost and high-quality items. With the plentiful supply of oranges now on the market, homemakers may want to flavor the fried chicken dish with fresh orange juice.

There are attractive price tags on Grade AA and Grade A large size eggs.

Red meat prices are below price levels of a year ago. Many markets are featuring specials on beef T-bone, sirloin and other popular steak cuts. Roasts of several types, including boneless rolled beef roasts, are attractively priced.

Cottage cheese is an excellent and versatile dairy product and combines well with many fruits now on the market. Citrus and apples highlight fruit counters—with plentiful supplies of grapefruit, navel oranges, temple and juice oranges. Some tangerines and tangelos remain available.

Prices on head lettuce are a bit lower, and the quality is improving. Carrots, eggplant, cabbage, celery, waxed rutabagas and cauliflower are among the better choices in fresh vegetables. Green beans are featured times in some stores for week end shoppers.

Within a radius of 50 miles in the southwest section of Maine are towns named China, Norway, Naples, Athens, Peru, Denmark, Belgrade, Detroit, Poland, Dresden, Malermo, Belfast, Mexico, Paris, Lisbon, and Frankfurt.

### Supervised Farming Programs Of Members Cover Many Fields

The Supervised Farming Committee of the annual program of work this year is composed of Elvin Smith, chairman; and members George Bonds, Robert Allen, Ronny Lee, Jerry Brown, Simon Rodriguez, Ronnie Wilcox, Teddy Price and Junior Solis.

Members supervised farming programs include productive enterprises, improvement projects, and supplementary farm jobs. This year members have had productive enterprises in breeding beef cattle, commercial beef animals, fat steers, fat swine, breeding swine, fat lambs, poultry, rabbits, field crops, fruit and nut trees and gardening.

Members with breeding beef animals include Stanley Smith, Dannie Maberry, Robert Allen, Jimmy Hawkins, Mike Smith, Randy Smith, Jim Bonds, John Holland, Robert Moore, Jackie Buske, Holman Jones, Charles Stanford and Jim Wainscott.

Robert Moore and Jackie Buske had fat steers.

Boys with commercial beef projects include Billy Cooper, George Bonds, John Poe, Tommy Ferguson, Jerry Hill, Jim Bonds, Robert Moore, Sam Ferguson, Rickey Acklin, Jackie Buske, Elvin Smith, Pryor Smith, Jimmy Watson and Gary Cauble.

Ronnie Jenkins, Buddy Jenkins and Keith Bundas had fat lambs.

Boys feeding out fat swine include Randy George, Mike Murphree, Danny Contreras, Jesse Mendoza, Joe Fudge, Ru-

pert Compton, Lorenzo Rodriguez, Elvin Smith, Simon Rodriguez, Ronnie Wilcox, Junior Solis, Herman White, Gaylon Moore, Robert Parramore, Reginald Wells, Bobby White, Ronnie Rogers, Kenneth Berry, Rodney Dominey, Charles Stanford, Agustin Barron, Ramon Morales, Raul Solis, Randy Smith, J. R. Binnicker and Robert Pearce.

Boys with developed or who are developing swine breeding programs include Elvin Smith, Herman White, Reginald Wells,

#### Local FFA Chapter Meets Monthly

The Hamlin FFA Chapter holds its regular monthly meeting the first night of each month. Setting a regular meeting date and place is the duty of the conduct of meeting committee of the program of work.

This committee has Jackie Buske as chairman and Pryor Smith, Bobby Robertson, Charles Stanford, Pat Jenkins, Johnny Flowers, Jim Wainscott, Stonie Price and Ruben Martenes as members.

Meetings are held in either the high school auditorium or the high school cafeteria. Official ceremonies are used for all meetings and special programs or films are often part of Chapter meetings.

If you want to seal a shotgun barrel from lint after oiling, put an empty shell of approximate size in the breech, then insert a cork in the muzzle.

Bobby White, Bill Kitchen, Jimmy Niedecken, Pryor Smith, Pat Jenkins, Randy George, Wayne Gruben and Jimmy Hastings.

Jerry Brown, Elvin Smith, Larry McCoy, Jackie Buske, Dan Bruner, and Holman Jones all have field crop projects. These include cotton, wheat and milo.

Jerry Priddy and Dennis Weaver chose fruit and nut trees as their project.

Members with poultry projects include Joe Adams, John Berry, Donnie Jones, Doug Carlton, Tex Rhodes, Ronnie Jenkins, Pryor Smith, David Wallace, Raymond Nichols, G. W. Kirkland, Aubrey Fry, Jerry Farnsworth, Billy Cooper, Albert Falcon, Ronny Lee, George Smith, Johnny Lujan, Bill Kitchen, Robert Allen, Granville Houghton, Frank Guerra and Phillip Simpson.

Rudy Mendoza, Teddy Price, Jimmy Price, Pryor Smith, Bobby Robertson, Johnny Flowers, Stonie Price and Roy Phillips are raising rabbits for projects.

This year members have exhibited at the Fisher County Fair, The West Texas Fair, the Jones County Fat Stock Show, the Abilene Fat Stock Show and the Fort Worth Fat Stock Show. Herman White showed the Reserve Champion fat swine and the Grand Champion breeding swine at the Jones County Fat Stock Show and the Grand Champion Barrow at the Abilene Fat Stock Show. Donnie Jones and Doug Carlton had Champion boilers at the Jones County Show.

**ABILENE WINNER**—Herman White is shown with his heavyweight Hampshire barrow which was judged grand champion of the swine division of the Abilene Fat Stock Show in January.

#### Rupert Compton Heads Membership Committee for FFA

The membership committee's responsibility is to contact all students enrolled in classes of vocational agriculture and to encourage these students to join the Future Farmers of America. Any student who has ever been enrolled in vocational agriculture is eligible for FFA membership.

The membership committee this year was headed by Rupert Compton. Other committee members were Aubrey Fry, Jerry Farnsworth, Billy Cooper, Rudy Mendoza, Lorenzo Rodriguez and Albert Falcon. Through the efforts of this

committee, ninety-two boys became members of the Hamlin Chapter of the Future Farmers of America.

The membership committee is also responsible for nominating candidates for Honorary Chapter Farmer Degrees. This degree is the highest award the local chapter can present. This award is presented to local citizens who have contributed to the local FFA Chapter and vocational agriculture program. The last award presented went to Bob Craig, editor of the

Hamlin Herald, for his work in publicizing work of the local chapter.

#### Rubber Snubber

Here's how to keep bait-casting reels free from snarls and tangles when transporting or storing them:

Cut a strip of rubber out of an old inner tube. Then cut a hole in each end. Slip one end over the rod butt or the reel seat; the other end over the reel handle.

### Local FFA Chapter Takes Part in Many State and National Events

Donnie Jones was appointed to head the committee to plan chapter participation in state and national activities this year. Serving on Donnie's committee are Gary Cauble, Jimmy Hastings, Gary Connally, Mike Murphree, Keith Bundas, Paul Long and Danny Contreras.

Activities for FFA members to participate in on the state and national levels include the State FFA Convention, The National Convention, state judging contests, National FFA Foundation Awards program, National FFA Week, and the FFA public speaking contest. Also chapter members who qualify may apply for advanced FFA degrees such as the Lone Star Farmer Degree and the American Farmer Degree.

This year Mike Smith, Tommy Ferguson, Robert Moore, and Donnie Jones attended the state convention in San Antonio. The chapter is planning on sending several members to the next state convention in Houston this summer.

Jim Kincaid was elected a member of the National FFA Band and attended the National FFA Convention in October.

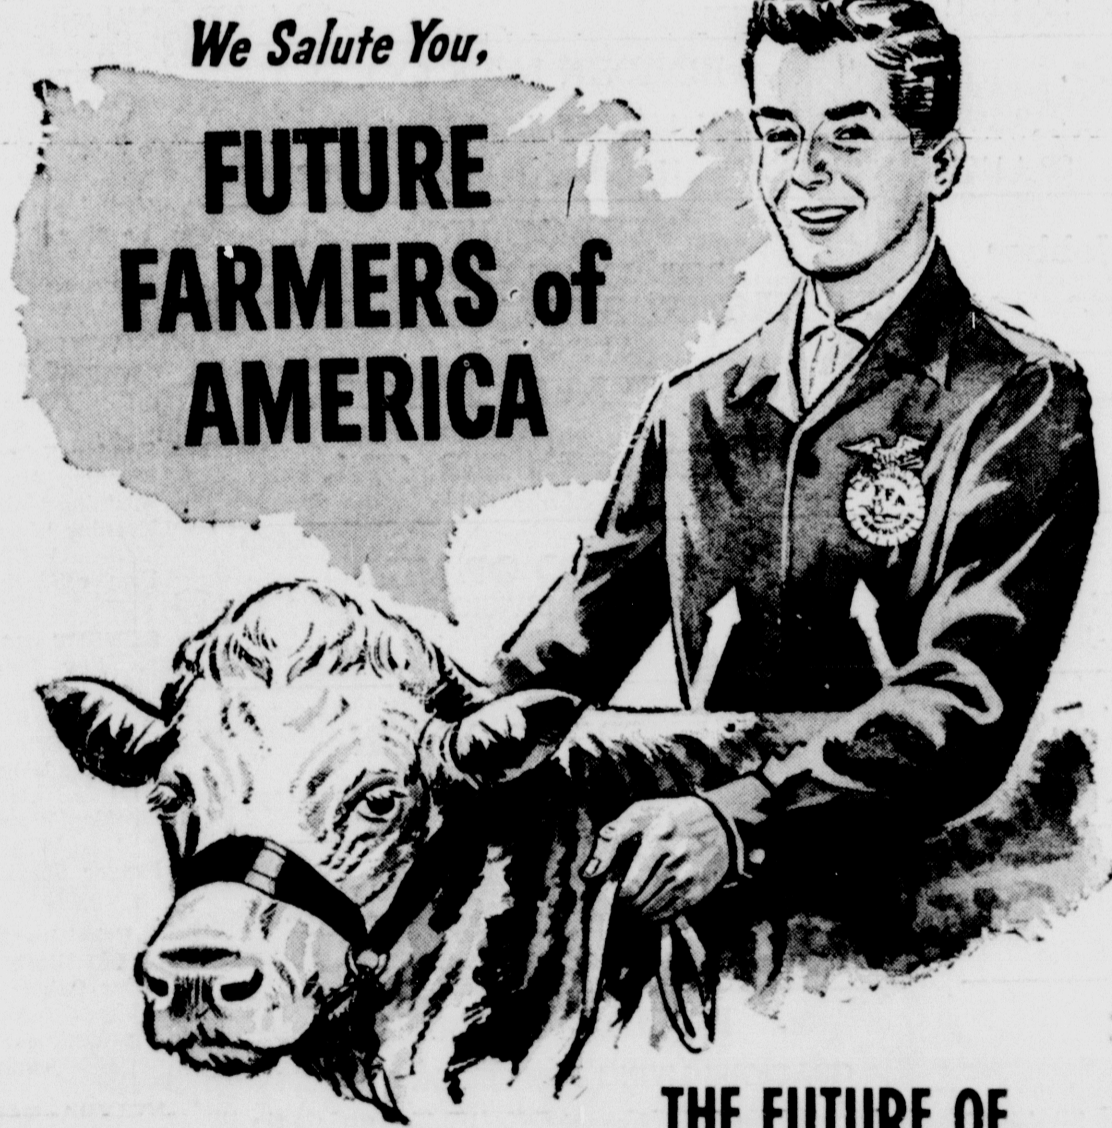

Members are beginning preparation for the various judging contests this spring, and soon members will be closing out record books to see who wins the various National FFA Foundation Awards medals. It is also hoped that several junior

**NATIONAL BAND** — Jim Kincaid, National FFA Band member, is shown in the official uniform of the band as he appeared at the National Convention in Kansas City, Kansas.

or senior members will apply for their Lone Star Farmer Degrees this year.

It is easier to travel by plane than by car in Alaska.

#### THE FUTURE OF FARMING LIES IN YOUR HANDS

We give heartfelt congratulations to you young men who are preparing to better serve America through agriculture. As future farmers, you will be better schooled and skilled in science, mechanics and sound management — to bring us greater agricultural advancements. We offer support and encouragement.

**Farmers & Merchants National Bank**

**BUILDING CATTLE FEEDER**—Buddy Jenkins and Elvin Smith, third year vocational agriculture students, are shown working on a cattle feeder for local farmer and rancher, Richard Young.

## Many Projects Done for Area By Hamlin FFA

Planning community service is the job of the community service committee of the program of work. Headed by chapter sentinel Tommy Ferguson, the committee also included Dan Bruner, Jerry Hill, Jerry Stuart, Ronnie Jenkins, Buddy Jenkins, Ronnie Rogers and Jess Mendoza.

Community service projects may include pruning or budding trees by vocational agriculture classes, building equipment such as cattle feeders for farmers in metal shop, loaning to farmers equipment such as "squeeze chute" built in shop, or helping set up tables and chairs for local banquets. Sometimes an educational booth is built for flower shop sponsored by the Hamlin Garden Club. Improved farming practices used by members and sponsoring short courses for adult farmers are also community service projects.

Small nails were cut from sheet metal in the early 19th century.

## Local Chapter Has Calendar Full of Activities for Each Year

Each year is full of activities for members of the Hamlin FFA Chapter. Many activities have been completed and lay behind while many more remain in the future.

Activities completed include: Attending the State FFA Convention in San Antonio. Annual FFA swimming party and watermelon feed. Exhibiting at the Fisher County Fair. Exhibiting at the West Texas Fair. Building a float for the Homecoming Parade. Electing Nancy Ford as chapter sweetheart. Helping plan the Stamford FFA District program of work. Attending the National FFA Convention. Serving as host for the Stamford FFA District Leadership Contests. Entering four teams in the Stamford FFA District Leadership Contests. Exhibiting at the Jones County Livestock Show. Exhibiting at the Abilene Fat Stock Show. Exhibiting at the Southwestern Livestock Show and Exposition at Fort Worth, and Annual Educational trip for all chapter members except first year vocational agriculture students (Trip included a tour of Burrus Feed Mills and the Livestock Show at Fort Worth).

Activities still remaining on the calendar for this year include: Odessa Invitational Judging Contest. San Angelo Fat Stock Show Judging Contests. San Angelo College Judging Contest. Sweetwater Judging Contests. Abilene Christian College Judging Contests. Texas Technological College FFA Judging Contests. Stamford FFA District Banquet. State FFA Judging Contests. Stamford FFA District meeting to elect officers for the 1965-66 school year. The Annual Father-and-Son banquet. The Area II FFA Association Convention and The Leadership training school for local officers.

## SHINED AND READY

"And your feet shod with the preparation of the gospel of peace," Ephesians 6:15.

These shoes fairly shine and sparkle and are ready to take their owner proudly any place. Society dictates that we should be well turned out and that our feet be shod with well-groomed footwear. The Bible tells us that we should be clad in the whole armour of God, and that our feet should be shod with the preparation of the gospel of peace. The gospel is this: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit." Romans 8:1

St. Peter advises, "Be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear."

Come to church this week that you might learn of Him and that you might be prepared to give this good news of the gospel to others.

EVERYONE IN THE CHURCH  
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

of protection,  
not promises.  
CHRYSLER '65

\*Only Chrysler in its class gives you 5 years or 50,000 miles of warranty protection like this: Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1965 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

PREWIT MOTORS ★ S. E. FIRST

**WORK ON SCRAPBOOK**—Jimmy Hawkins, chapter reporter and chairman of the public relations committee, and Randy Smith, committee member, are busy putting articles in the local chapter scrapbook.

## Good Public Relations is Goal For Hamlin of Chapter Committee

Good public relations are always desired by any organization and the Hamlin FFA Chapter is no exception. Jimmy Hawkins, the chapter reporter, heads this year's public relations committee. He is assisted by Randy Smith, J. R. Binnicker, Robert Pearce, Joe Adams, Randy George, Jimmy Watson, John Berry and Wayne Gruben.

This year various FFA members of the Hamlin Chapter have brought good publicity to Hamlin High School and to the town of Hamlin. Members and their accomplishments include: Holman Jones, Stanley Smith, Mike Smith, Robert Moore, Jimmy Hawkins and Tommy Ferguson—chapter officers.

Anna Adams—last year's chapter sweetheart who was first runner up for Jones County Fair Queen and second runner up for sweetheart of the West

Texas Fair.

Stanley Smith—vice president of the Stamford FFA District.

Jim Kincaid—member of National FFA Band and attended the National FFA Convention.

Nancy Ford—this year's chapter sweetheart.

Herman White—Grand Champion Barrow of Jones County Fat Stock Show, Grand Champion Barrow of the Abilene Fat Stock Show.

Donnie Jones—Grand Champion Broilers of Jones County Fat Stock Show.

Doug Carlton—Reserve Champion Broilers of Jones County Fat Stock Show.

In addition to having good write up in the local paper and the Abilene paper, several of the above have had articles to appear in magazines, have appeared on television and have been on the radio.

Jimmy and his committee are responsible for keeping a chapter scrapbook of articles concerning the activities of the chapter.

Brooklyn Bridge was started in 1869 and finished in 1883.

## Cooperation With Other Members Helps Each FFA Boy Have More

With more than one person, saving members one to two cents a chick.

adapting his weight to a job and pulling with others, much more can be accomplished than several persons pulling individually. Thus, many cooperative activities are planned by the cooperation committee of the annual program of work. Herman White is the chairman of this committee. Serving with him are John Poe, Gaylon Moore, Robert Parramore, Reginald Wells, Jerry Priddy, Johnny Lujan, George Smith, and Bobby White.

Cooperating with the chapter and the Hamlin BCD in a beef heifer chain are Charles Stanford, Stanley Smith, Mike Smith and Lanny Foster. These boys each received a registered beef heifer through the chapter and are raising the heifers to develop a beef breeding program of their own. Later they are to return to the chapter a registered heifer that can be placed with another boy so he may begin a breeding beef program.

Many members save money by buying broilers cooperatively. Boys decide on the number of baby chicks they want and sent in one order to a hatchery. This

## Permanent Honor Roll Encourages Scholarship Among Members

The Scholarship Committee of the annual program of work sets several goals each year to encourage scholarship among members of the chapter. This year the committee is headed by Jim Kincaid. Working with him are Eddie Connally, Danny Pope, Agustin Barron, Dennis Weaver, Roy Phelps, Victor Rangel and Eliseo Martinez.

A new goal this year is the posting of a permanent FFA Honor Roll. This honor roll is compiled at the end of each semester and includes the names of all members who made an "A" in vocational agriculture, an "A" average overall and a "B" average overall.

For the fall semester of the 1964-65 school year, thirty-two members of the chapter made the FFA Honor Roll. The list includes:

"A" In Vocational Agriculture: J. R. Binnicker, Agustin Barron, Rupert Compton, Ronnie Rogers, Raul Solis, Robert Moore, Wayne Gruben, Holman Jones, Robert Pearce and Keith Bundas.

"A" Average Overall — Jimmy Hawkins, J. R. Binnicker, Agustin Barron and Jim Kincaid; and

"B" Average Overall — Raul Solis, Robert Moore, Mike Smith, Stanley Smith, Johnny Flowers, Ronnie Rogers, Dennis Weaver, Gary Connally, Randy

Smith, Rickey Acklin, Tommy Ferguson, Holman Jones, Rupert Compton, San Ferguson, Robert Pearce, Larry McCoy, Randy George, Paul Long, Gary Cauble, Keith Bundas, Larry Farnsworth, Jim Bonds, Rudy Mendoza, Danny Contreras, Wayne Gruben, Donnie Jones, Doug Carlton and Phillip Simpson.

In addition to this honor roll, a temporary honor roll is posted each six weeks on the class bulletin boards of the vocational agriculture classrooms. Also the chapter presents at the annual Father-and-Son banquet certificates to members who maintain an "A" average overall for the entire school year. A medal is given to the chapter member having the highest scholastic rating for the year.

## FFA Chapter Pays Own Way With Fund Raising

The activities that the Hamlin FFA Chapter participates in are financed by fund raising activities of the chapter. The main fund raising activities are selling Halloween candy, building and selling shop projects, and dues.

To determine the amount of money needed to finance chapter activities and to decide on ways of obtaining this money is the duty of the earnings and savings committee of the program of work. Chapter treasurer Robert Moore serves as chairman of this committee. Other committee members are Phillip Simpson, Sam Ferguson, Rodney Dominey, Jimmy Price, Jimmy Niedecken, David Wallace and Rickey Acklin. This committee prepares an annual budget for the chapter.

This committee also encourages thrift among FFA members and encourages members to make wise investments and wise decisions with their supervised farming programs.

## FFA Chapter Finds Time for Recreational Meetings, Too

Even though much of the time is filled with leadership tests, livestock shows, judging contests, and other activities, FFA members usually find time for recreational meetings too.

Each summer the chapter has a swimming party and watermelon feed for all members and new high school freshmen boys.

This recreational activity allow entering freshmen a chance to become acquainted with the other members and to discuss different parts of the vocational agricultural program with present FFA members and advisors.

The swimming party and other recreational activities are

GETTING READY FOR SACK RACE—Nancy Ford, chapter sweetheart, and Rupert Compton, senior FFA member, prepare for sack race at annual FFA-FHA game night.

set up as goals for the chapter by the recreation committee of the program of work. Dannie Maberry is chairman and is aided by Ramon Morales, Tex Rhodes, Doug Carlton, Ismael Mendoza, Richard McCormack and Raul Solis.

Other recreational activities usually include volley ball games following business meeting and a FFA-FHA fun night. Once each year the chapter invites the FHA chapter to a meeting and various games are played by members and their guests. Usually a prize is offered to the winning team.

AUSTIN — Gov. John Connally's top legislative project—creation of a powerful coordinating board to control state colleges and universities — apparently is headed for early enactment.

Bills to establish the board breezed through Senate and House committees to floor calendars without direct attack after members of the Governor's Committee on Education Beyond the High School testified for them.

Quick and easy committee approval contradicted early rumors that establishment of the strong central board would meet vigorous opposition in the legislature.

It seems that opposition, if there is to be any, will be confined to specific details of the bill and not to the overall proposal.

If enacted, the 17-member coordinating board would have broad powers over all aspects of higher education in Texas — junior colleges, as well as senior institutions.

It would have the final word on launching or eliminating college degree programs, control the addition or deletion of courses, develop future plans for higher education and pass on proposals to create new senior colleges.

It would supplant the existing Commission on Higher Education, although members of the commission would be eligible for appointment to the board.

Said Governor Connally: "I am pleased with the creation of the two committees. This reflects what I have said all along — that there is a great will and desire on the part of the Legislature to make some real strides toward excellence in higher education."

Rep. Dick Cory of Victoria is handling the bill in the House and Sen. Bill Moore of Bryan has it in the Senate.

**Women's Rights Debated** — Legislative committees set aside another Ladies' Night to hear a familiar debate — should the state constitution be amended to insure that no legal rights be "denied or abridged because of sex?"

Without even hearing arguments for or against, a Senate panel quickly agreed that the amendment should be submitted to the voters.

On the other hand, the House committee listened to hours of testimony. Most of it was in opposition to such an amendment. The State Bar and spokesmen for university law schools led the opposition.

Opponents claim the amendment goes too far and "would open a Pandora's box" of future litigation. Specific statutory changes were recommended as preferable for correcting

such discrimination as might exist.

Spokesmen for the women's groups, who have stubbornly pushed the amendment, report with considerable conviction: after all these years of talking about giving women full powers to manage their property and other rights long denied them, little serious effort has been made to repeal the discriminatory statutes one at a time.

**Pooling Bill Near Passage** — Although subject to bitter legislative controversy two years ago, the oil and gas lease pooling bill cleared the Senate with no more than a handful of dissenting votes.

There was practically no floor discussion on the bill which is backed by Governor Connally and Lt. Gov. Preston Smith, as well as most oil and gas interests.

Its House companion landed in a friendly sub-committee after an extended hearing.

Bill would authorize Texas Railroad Commission to prescribe requirements for owners of small tracts to pool their interests for oil and gas drilling purposes when they cannot get together voluntarily.

Among the opponents of the bill were members of the Texas Farm Bureau and local farm bureaus in oil counties which have had small-tract problems.

C. H. Devaney of Coahoma, TFB president, asked the committee to consider the opposition to the bill "in the light of the fact that an overwhelming majority of our member families are landowners and that the Texas Farm Bureau probably represents the largest single group of landowners in any organization."

Devaney read a policy statement in part, "We oppose any and all legislation that would deny the landowner or mineral owners the American tradition of freedom of choice."

Free choice remains the central issue as the measure went on House and Senate calendars. Opponents called the measure "compulsory unitization" and "land collectivism." House sponsor, Rep. Wayne Gibbons of Breckenridge, said it is intended "to encourage voluntary pooling."

Ferdinand Hassler, a Swiss engineer, made the first coast and harbor survey for the U. S. in 1816.

First practical motion picture projector was made in France by the Lumiere Brothers.

## Stanley Smith Organizational Committee for FFA

Stanley Smith, chapter vice president, heads the organizational committee this year. He is assisted by Raymond Nichols, Joe Fudge and G. W. Kirkland.

This committee is responsible

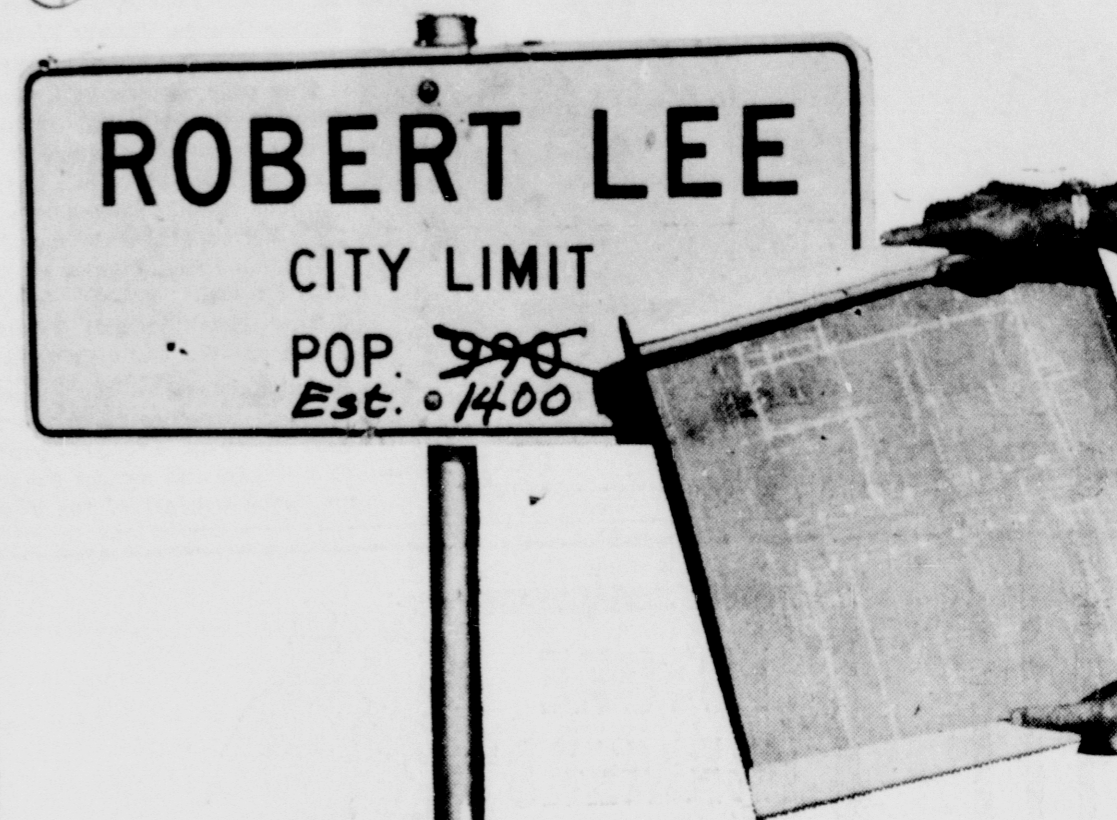

for seeing that all committees or Chapter Farmer degree working on annual programs of work have their goals written and approved by the chapter. After chapter approval, the program of work is forwarded to the Area II Association Office in Big Spring.

This committee also sees that chapter officers have official FFA Manuals and that members receive their Green Hand pins.

First bicycles were called "dandy-horses" in England.

## PATTERNS FOR PROGRESS IN COMMUNITY DEVELOPMENT

This is a sign of active community development

Many towns in our service area are engaged in or planning community development programs. One outstanding example is the continuing development of Robert Lee. Here, aggressively energetic citizens have built a new Court House, a new school building, a new Post Office, and a modern bank building. They have developed a City Park with recreation building, swimming pool, sports fields and a nine-hole golf course; modernized the City Hall, paved city streets and voted a bond issue to enlarge the local hospital. And, they can now claim a population gain. Robert Lee's proud record is a Pattern for Progress of what can be done in Community Development which improves the chances of continued growth, making the community a better place in which to live, work and play. Growth conscious towns are invited to contact their local WTU manager for assistance from our area development representatives.

**WEST TEXAS UTILITIES**

## Follow that truck

(but if you do, plan to step lively)

You're looking at one of the busiest trucks in the world, especially this year. During 1965 Southwestern Bell's motor fleet will travel 88 million miles in the biggest construction program ever undertaken. A one-year \$350 million effort (this means up to 17,500 new jobs among the firms which sell supplies, services and materials to the telephone company) to make the world's

best telephone service even better. You will benefit directly. In cities, on farms, at home, at your office or in your car, you'll be able to call easier and faster in all kinds of weather. Next time you see a big telephone truck, take a second look. You'll be looking at rolling proof of a really massive effort to make your telephone serve you better, of more personal value to you.

**Southwestern Bell**  
1965: Your Bonus Year for Telephone Service

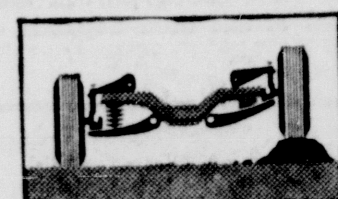

# Chevrolet

# workpower

"walks" right over bumps and trouble

Independent front suspension takes the "truck" out of truck ride. It smooths rough roads, protects truck, driver and cargo from excessive jolting. And on Chevrolet pickups it's a proved system with millions of miles of user experience behind it. Try it out on one of Chevrolet's great Fleetside or Stepside pickups. It's one of the big reasons that Chevrolet is first choice with pickup users from coast to coast.

Telephone your Chevrolet dealer about any type of truck

**NO MORE RED PAPER, PLEASE**—Mrs. John Johnson, Hamlin Herald employee, agrees with many Herald subscribers that they can get along just fine without anymore red papers. The Feb. 11 issue of the Herald was printed on "Valentine Red" paper that seemed

to be pretty but caused considerable problems in reading. The red paper was originally ordered for Christmas but did not arrive until late Jan. and was used for Valentine's Day. (Photo by Tim Jones)

## Hamlin Schools Set Open House Mar. 2

The Hamlin Public Schools will take part in the Texas Annual Public Schools Week March 1 through March 5 with

The local schools will open all week for parents to visit at any time and open house is planned for Tuesday evening, March 2. The open house will start at 6 p. m. in the grade school and at 7 p. m. at high school.

There will be exhibits of teaching materials, library facilities and other phases of school activities.

In announcing the activities for the week, Superintendent C. F. Cook, said, "We will appreciate having each parent and others visit their schools on the above dates. You will have the opportunity of meeting your child's teacher and observe samples of work done by your child. This is also a good opportunity to evaluate your school."

## 'Local Area Story' to be Shot In Near Future

The filming of 30-minute feature in Hamlin by Mel Barker, a producer of short subjects, will be held in the near future, according to Darwin Barnes, manager of the Rogue Theatre, who is assisting in bringing the producer to Hamlin.

Mr. Barker has been delayed in filming the feature several months due to other commitments.

The feature, "The Local Area Story," will show various civic clubs, the high school band, football team and other school activities and also a number of scenes downtown. It will be filmed in color and sound.

Part of the movie will star a number of Hamlin children in a talking comedy. Mr. Barker will be here next week to start interviewing youngsters for parts in the film.

Young folks interested in being a part of the talking comedy are being asked to set up for them to register.

When complete, the picture will have its first showing at the Rogue and then will be available for other showings, open house and other events scheduled.

## SWIM SUITS IN A SNOW STORM?

Talk about selling refrigerators to Eskimos—McDonalds Department Store is running an advertisement on women's bathing suits in this week's Hamlin Herald.

When asked about the sale of swim suits when a cold front had moved in, Store Manager Donley Williams said, "Well, I don't guess it is any worse than selling blankets in July."

## Wreck Victim Expresses Thanks To Hamlin People

Mrs. Margaret Quan, a resident of San Francisco, who was injured in an automobile accident near here Jan. 19, left a note in the room when she was dismissed from Hamlin Memorial Hospital Feb. 2 expressing her appreciation to the people of Hamlin who made her stay in Hamlin memorable.

Her son, Thomas Quan, was also injured in the wreck and was hospitalized.

Her note of appreciation follows:

"I think my God for all of you—Romans 1:8.

I thank God I have suffered so little after our terrible accident.

I thank the Church of Christ for the use of the Bible. I thank God for the Baptists, the Methodists and the many individuals for their prayers, their visits, presents, offers of help and for the simplest smile, nod, or greeting when passing my door.

I thank God for the privilege of having met some of the nicest people in the world. May He cause His light to shine upon the dear hearts and friendly people of Hamlin, Texas, and give them peace . . .

Most sincerely,  
Margaret Quan  
San Francisco, Calif.  
Jan. 1965

## Hamlin Camp Fire Council Names Committees to Serve Current Year

Committees to serve during the current year were named at the Wednesday night meeting at the Hamlin Camp Fire Council by the president, W. L. Hunter Jr.

Named to the program committee were Mrs. G. W. Kincaid, chairman, Mrs. Kenneth Riddle, Bill Feagan and Bill Early. They will be in charge of the annual Dad - Daughter banquet.

## Mrs. Craig Elmore Dies in Rotan After Extensive Illness

Mrs. Craig (Sookie) Elmore, 67, died at 10:30 a. m. Sunday in Rotan after an illness of 12 years. Services were held at 3 p. m. Monday in the Hamlin Church of Christ with the minister, Mr. Thomas Cudd, and Mr. Mardell, Church of Christ minister from Hobbs, N. Mex., officiating.

Born Nov. 24, 1902, in Daingerfield she was the daughter of the late Mr. and Mrs. Dave Kirkham. She attended East Texas State Teachers College at Commerce.

March 13, 1923, she was married at Hughes Spring to Craig Elmore, an electrician and farmer. She was a member of the Church of Christ, Order of Eastern Star and served as worthy matriarch at three different times.

Survivors include her husband; one son, Don of Hamlin one daughter, Mrs. Earl (Craig-olene) Smith of Stamford; four brothers, Terry and Castle Kirkham, both of Daingerfield D. J. of Winters, Conner of Corpus Christi; four sisters Mrs. Opal Faye Kirkham, Mrs. Leon Sellers, both of Daingerfield, Mrs. J. C. Barrett of Fort Worth, Mrs. Jake Gravelly of San Antonio; and four grandchildren.

Burial was in Hamlin East Cemetery. Pallbearers were Corkie Bond, Ira Clements, Johnny Hester, J. D. Ferguson, D. F. Park and Bill Harbort.

## Bridge Winners

Bridge winners Tuesday evening at the Hamlin Duplicate Bridge Club meeting were as follows: Dr. and Mrs. M. L. Smith, first; Mrs. Billie Joe Wilson and Mrs. Wilson Brannon, second; and Jack Russell and Mrs. Gene Knabel, third.

The camp and grounds committees is composed of Bill Feagan, James Brown, and Mrs. Kincaid.

The Day Camp committees includes Parker Kelley, Charles Tugwell and Mrs. Kincaid.

James Harrison and Lewis Earl Madden were named for public relations.

Mrs. Bill Shira, Mrs. Jerry Waggoner, Bill Early and Charles Absher make up the finance committee.

The nominating committee consists of Mrs. Riddle, Lewis Earl Madden and James Brown. Mrs. E. N. Jenkins is registrar.

The Council voted to eliminate the awarding of camperships in the annual candy sale which started Feb. 11. In the past a set amount of the proceeds was set aside to provide a campership for the Camp Fire girl and the Blue Bird girl selling the most candy. This year a percentage of each sale is returned to the girl's group to be used for a special project or event.

The Council members discussed securing a qualified swimming instructor for summer camp and are especially interested in finding a qualified person locally if possible.

The Council also voted to invest \$30 for books to be used by the leaders. Several books purchased last year have been returned and Mrs. Kincaid, president of the leaders association, said it would help a great deal if the books not being used could be returned to be used by the present leaders.

It was announced that a called meeting of the council would be held before the Dad-Daughter banquet.

## Court Appoints Election Judges

In a short business session held Monday, Jones County Commissioners Court appointed election judges for the various voting boxes in the county for tiehm. . . Com- nrtotep rbb n for the general election . . . if there should happen to be one. The court also allotted Mrs. Mary Newberry, home demonstrating agent, \$50 expense money to attend a short course at College Station.

## Lions Club Sets Pancake Supper Date March 12

Date for the annual Lions Club Pancake Supper has been set, according to Bob Craig, president. The supper will be served Friday, March 12, in the high school cafeteria.

Serving will start at 5:30 and run until 8:00, according to Ellis West, chairman.

A menu of pancakes, bacon, and coffee or milk will be served with everyone getting all they can eat for 75c for adults and 50c for children under 12.

There will be a cake and pie auction held during the serving period.

The supper will be the same night as the Senior Play and the Lions Club urges everyone to have a pancake supper and then at the play in the auditorium.

## Central Avenue Baptist to Hold Banquet Friday

The annual Sweetheart banquet of the Central Avenue Baptist Church will be held Friday evening at 7 p. m. in the Fellowship Hall.

Theme for the program will be "The Captain's Table."

The church - wide banquet will be attended by persons of all ages in the church with special emphasis on the youth.

One of the highlights of the evening will be the crowing of a "captain" and a "matie" from the young peoples group and also the adult group.

Master of ceremonies will be "Captain" Danny Cary who will be guiding the "vessel" from beginning to end.

Rev. J. L. Cartrite, pastor of the Lamar Street Baptist Church of Sweetwater, will be the featured speaker. He is an accomplished chalk - talk artist and has been much in demand in this area for several years.

## 50 to 60 Expected Here Sunday For W-T Barrel Racers Meet

The West Texas Barrel Racers will hold their monthly meet here at the Hamlin Riding Club Arena Sun., Feb. 21, at 1 p. m.

Some 50 to 60 girls are expected for the meet if the weather is favorable.

The meet will get underway with this run of events barrel racing, pole bending, flag racing, and goat tying.

There are three divisions, the novis, the open and the junior division. In the open division Marie Voss of Snyder, Dorothy Bourland of Odessa, Paulette Allen of Rochester are among the top contenders. In the junior division Debbie Ferguson of Petersburg is out in front.

The Hamlin area has several members in the WTBR.

among them are June and Debbie Elmore, Beverly Gibson, Sandra Jones of Hamlin and Joy Jameson of Aspermont. The public is invited to come out to the arena to see some top barrel racers of the state. There is no admission charge. The concession stand will be serving hot coffee.

## County Valuation Increase Causes Less State Aid Cut Than Feared

Amount of additional money to be supplied by local school districts in Jones County for the coming year will not be as great as first expected, it was learned Monday when figures were received from Austin.

Because of the increase in county tax valuation from \$25,491,960 to \$31,223,355, it was feared that the total added cost to the county might be as much as \$10,000. Tax valuations are one of the factors in determining amount local district must pay under the Gilmer - Aikin law.

However, because of a drop in other factors . . . value of manufactured products, oil, gas, etc., the county's index dropped from .224 to .216.

This would have indicated a reduction in the local share except that total cost of the school program over the state next year will be greater than in 1964. This increase meant that Jones County's share will be

\$252,504 instead of the \$248,640 last year.

Everett Beaver, county school superintendent, explained Monday that Stamford, Anson and Hamlin each will pay about one fifth of this amount. This would indicate, he said, that the increase cost to each of these districts for this phase of the school program will be about \$800 . . . not the \$2000 that was at first thought.

## Showers Wed. Bring Rainfall To 1.43 Inches

The year's rainfall was brought up to 1.43 inches with slow showers measuring .39 here early this week. Rainfall Tuesday was recorded as .20 and Wednesday before noon an added .19 had fallen.

Ice covered the city Tuesday morning but disappeared during the early afternoon. Only one minor accident occurred during the icy conditions.

Other Rainfall for February includes .04, Feb. 8; .50, Feb. 9; and a trace of snow Saturday, Feb. 13.

During January .50 was recorded at the local pump station.

## Grand Jury Resumes Session

Grand jury in 104th District Court at Anson will reconvene Thursday, Feb. 25. O. D. Roland of Hamlin is foreman. Working with the jurors will be County Attorney Ben Niedeck and District Attorney Richard Price.

Mr. and Mrs. Donald Lindner of Hamlin are the parents of a son born Feb. 12 at 10:46 a.m. He weighed 7 lbs. 11 oz. and was named Reed Arthur.

## 31 from DePriest Attend NHA Meet Sat. in Midland

Thirty-one members of the DePriest New Homemakers of America Chapter went to Midland Saturday for the West Texas District N. H. A. Convention.

For the first time, an executive council was set up instead of electing officers. Euella McPherson of the DePriest school was one of the five girls selected for the council. This enables her to go to Prairie View College for the state meet Mar. 18-19-20 to represent this chapter and the district of which Hamlin is a part.

The N. H. A. here is under the direction of Mrs. Billie M. Lewey, who accompanied the girls.

## Leadership, Cooperation and Citizenship Are Aims of FFA

The primary aim of the Future Farmers of America is to develop agriculture leadership, cooperation and citizenship. Mike Smith, chapter secretary, is chairman of this year's leadership committee. Others on the committee are Bill Kitchen, Jim Bond, Larry McCoy, Sammy Hester, Orville Houghton, Frank Guerra and Kenneth Berry. Activities to develop leadership have included a leadership training school for chapter officers and entering four teams in the Stamford District Leadership Contests.

Last summer four chapter officers, Holman Jones, Mike Smith, Jimmy Hawkins and Tommy Ferguson, attended the leadership training school. The boys were acquainted with the duties and responsibilities of their offices.

Last November the Hamlin Chapter served as host for the Stamford District Leadership Contests and entered four teams in the contests. Jim Bonds, Robert Moore and Larry McCoy placed fifth in the farm radio contest, Wayne Gruben, Keith Bundas, Ronnie Rogers, and Rickey Acklin placed fourth in the FFA quiz contest. J. R. Binnicker, Rickey Acklin, Pat Jenkins, Randy George, Ronnie Rogers, Keith Bundas, and Pryor Smith placed third in the junior chapter conducting contest. Randy Smith, Holman Jones, Rupert Compton, Donnie Jones, Gary Connally and Stanley Smith placed third in the senior chapter conducting contest. These contests give mem-

bers valuable training which they can use in the future.

The chapter also sends delegates to various state, area and district FFA meetings. Stanley Smith, Holman Jones and Jimmy Hawkins helped plan the district program of work last fall. This spring the Hamlin Chapter hopes to get one of its mem-

bers elected to a district or area office. In April the district banquet will be attended by several members of the local chapter. Then later in the spring and summer representatives of the Hamlin Chapter will attend the Area II Convention in Midland and the Texas Association Convention in Houston.

**FFA CHAPTER OFFICERS**—Officers of the Hamlin Future Farmers of America are: left to right, front row, Jimmy Hawkins, reporter; Nancy Ford, sweetheart; Holman Jones, president; Tommy Ferguson, sentinel; back row: Robert Moore, treasurer; Stanley Smith, vice president, and Mike Smith, secretary.

SEE SECTION II FOR MORE STORIES ON HAMLIN FFA

## Local Chapter Celebrates National Future Farmers of America Week

## Neinda Philosopher Comes Out, Almost, With A National Drive to Whip the Common Cold

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 must have had a bad cold recently, his letter this week indicates.

Dear editor: I was at a complete standstill out here on this Johnson grass farm yesterday hoping that somewhere in the plans for the Great Society they include a battery for a car or tractor that won't ever go dead, draw its energy from the sun or a television tower or anything just so when you push the button something happens, not that dead silence that makes a man despair before his

day starts.

Then I got to thinking. While I was at a standstill because of a dead battery, the President of the United States was at the same time at a standstill because of a bad cold, and I hope he used the situation to include a war on colds in his Great Society plans. As far as I'm concerned, there's no place in such a society for dead batteries or common colds, especially the latter.

For the price of one nuclear powered submarine or one misfired shot at the moon we ought to be able to get a bunch of scientists in a laboratory somewhere and tell them to for-

get the cost and not come out till they've found a vaccine for the common cold. It's my belief that any scientists with the brains to whip the whooping cough can whip the common cold. Somebody's just not trying hard enough.

In fact, if the bad cold had been fatal, we'd already have whipped it, but so long as it just makes people feel miserable, everybody seems to think it's something we have to endure from now on, like droughts and floods and nagging wives, but I don't agree. In fact, I'm half-toying with the idea of starting a national March of Pennies Drive to stamp the thing out, but since I won't have the time to serve as chairman, I've got to get into town to see about this battery. I guess you could send the money to The Herald and let Publisher Bob Craig send it on to President Johnson, earmarked for the War on the Common Cold.

There's nothing more ridiculous than a group of finely-honed scientists hovering at the base of a ten-story, multi-billion-dollar rocket aimed at the

A weekly public service feature from the Texas State Department of Health

## Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

muscle cramps, a stuffy-nose and bed wetting?

These are examples of food fads, fallacies and myths present today-even in such scientific circles. It is true that cherries help arthritis, that honey prevents tific and sophisticated times as the nuclear age.

The old notions that fish and celery are "brain foods," or that oysters increase fertility are harmless. But when garlic pills are promoted for high blood pressure, or grapes for the treatment of ulcers and cancer, the price of ignorance may come high.

Claims may range from a specific food being a "cure-all" to the myth of overprocessing modern-day foods.

Health authorities are especially concerned about the problem having to postpone the flight on account of one of the astronauts has come down with a cold.

Yours faithfully,  
J. A.

ducts as flour, bread, milk and used for each product. The oleomargarine are normally greater the number of fruit in a carton, the smaller the fruit.

Whatever the health quacks or faddists say, the truth of the matter is that we Americans today have a bigger supply of food, a larger variety of choice and more nutritional value in the food we eat than ever before. By patronizing all departments of a modern food store we can easily supply all our nutritional needs.

Eat cherries and honey—or whatever you like—along with a balanced diet, but don't expect miracles.

(A weekly feature from the Division of Public Health Education, Texas State Department of Health.)

### Good Season for Citrus Buys, Says HD Specialist

COLLEGE STATION — This is the season for good citrus buys, says Mrs. Gwen Clyatt, Extension Service consumer marketing specialist.

Supplies of citrus are larger this season than last. Citrus fruits vary in price now, due primarily to difference in size and variety. Size also relates to the number than can be packed into the shipping carton

Julie oranges usually have smooth skins and may or may not have seeds. Temple oranges look much like large tangerines except that the skin is pebbly and usually darker in color.

## Oldest Chevrolet Known to Exist

The oldest Chevrolet known to be in existence—a 1912 touring model—is destined for an honored place in the city that produced it. One of the first Chevrolets made in Flint, the car was purchased by the Industrial Mutual Association for donation to the Alfred P. Sloan Foundation of Transportation in the city's College and Cultural Center. Seated in the car (l. to r.) are Allen J. Dillon, IMA president; Dr. Roger Van Bolt, Sloan museum director; William Crick, IMA managing director; and Gregory Fauth, a Flint insurance man and antique car buff who located the car.

## FAIRVIEW NEWS

By MRS. ELMER JOINER

This column may be titled Fairview News, but it would be better for it to be Flu News. Didn't have any news to write this morning, as you don't learn anything in bed with the flu, and to tell the truth you don't care how many people went visiting or had company. You are only interested in how bad you feel and it seems as if half of the folks are in the same fix, so you don't even make the news yourself by being sick.

It does seem as if we did have about seven-tenths of an inch of rain the first of last week, it stopped the sand from blowing any way. Couldn't say for sure just when it happened, that was before B. F., meaning before the Flu and about 48 hours sleep at one stretch. Now days when you lose touch for that long, you are just out of it.

My better half for the past 41 years, came down Tuesday night with a good case, but heck! I never do take any thing, or so I thought, for Thursday night I took it too. Never being sick much in my life, I am like all healthy people, I think I must be going to die, so as I said I just went to bed and slept.

Sunday night my fever had broken so I thought I must be well, and it was our chance to see the Sunday night shows on T. V. Well, we struggled through "Branded", with poor, Chuck Connors who has been so unjustly treated, then watched Adam Cartwright clear his doubles name, then we fell in bed to have one night mare after another. Not the good old booger kind, but some thing of a science fiction kind of a thing, making you wonder if you were asleep or awake. Un-

as Berta, Nancy Ford as Salome, Jane Ferguson as Tonia, Margie Young as Celestina, and Gary Cauble as Fidel.

The play is a comedy based on a law that still exists in many small Mexican towns: "A woman who starts a fight on Sunday must pay five pesos."

til this flu decides to depart, don't think I will suffer through any more television, unless I look at Dr. Casey tonight to see if he can give me a good, quick, cure for a good fashioned cold. Hope to see you next week all bright and chipper, and nosing around as usual, to find out all the news once again.

Mr. and Mrs. Bob Craig attended the mid-winter meeting of the West Texas Press Association in Odessa this week end. Craig, publisher of the Hamlin Herald, is second vice president of the organization and was in charge of the program which featured John Ben Sheppard as the banquet speaker Saturday evening.

The house cat is believed to be a cross between the sacred cat of Egypt and the European Wildcat.

The moon is almost completely waterless and airless.

Ovens cover almost three-fourths of the world.

## PIPER PATER—

### Pipers and Piperettes End Season; Play Tickets on Sale

By NANCY FORD  
CAROLYN REYNOLDS  
MAROLYN REYNOLDS

Basketballs and uniforms went into mothballs Monday morning as basketball season had closed Friday night. The mothballs, however, do not cover up the memories of a fine season. The Pipers won first place trophies in the Haskell and Hamlin tournaments, second place in the Stamford tournament, and finished with a 17-12 won-lost record. The squad, composed of four seniors and four juniors, deserves congratulations from all of us.

The Piperettes' record is also one that deserves recognition with a 13-13 won-lost record. However, hard luck seemed to be with the girls as they lost to several teams by only one

or two points. For example, Aspermont beat the girls twice by only one point each game. Another interesting fact was that 18 games were won or lost by less than three points.

—HHS—  
Tuesday afternoon the tickets for the Senior Play, "Monday Mad," were placed on sale. Prices are 25c for students and 50c for adults. Reserved seats are 25c. This lively comedy which is to be presented March 12 at 7:30 p.m. will be a "barrel of laughs" for all. Plan now to attend the Senior Play!

—HHS—  
"Sunday Costs Five Pesos" has been chosen for the Inter-scholastic League One-Act play contest. Mrs. Charles Scott is the director, Paula Kim is the assistant to the director.

In the cast are Sheila Stone,

Gray, white or black with satin-finish chrome. Price including bulb: \$19.95

THE HAMLIN HERALD

## LETTERS TO EDITOR

### Ministerial Group Warns of Pending State Legislation

Dear Editor:

HAMLIN, TEXAS  
FEBRUARY 16, 1965

The Hamlin Ministerial Alliance wishes to bring to the attention of the citizens of Hamlin some possible legislation to be brought before us during the 59th Session of the Legislature.

House Bill 26, by Mr. Willis J. Whitley of Houston and co-sponsored by several others over our state would attempt to bring the "OPEN SALOON" back to Texas. This bill states

that "Whiskey would be placed in small bottles and sales allowed in any restaurant in the state, even in a dry area." Senate Bill 8, the companion bill to House Bill 26, again legalizes the selling of liquor in a dry area.

The second item of legislation we wish to call to your attention is House Bill 49. This Bill is sponsored by Mr. Maurice Pipkin of Brownsville and provides for the Licensing and taxing of horse racing and pari-mutual wagering in Texas by local option election.

One of our concerns about this Bill is that it is possible that Governor Connally may

come out in favor of this bill.

We believe that every citizen should know where our Governor stands in this matter.

Several other Bills will be called to your attention periodically through the year.

We encourage every voting citizen to be prepared to vote.

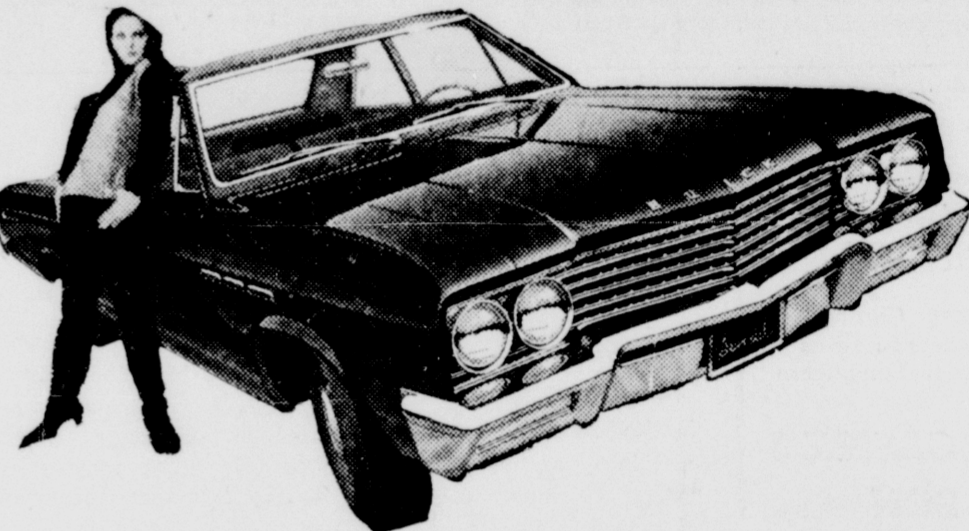

We urge you to write to your Representative and your Senator to make your feelings known concerning these matters. They are Honorable David Ratliff, Senator, District 24, Senate Office Bldg. Austin, Texas.

Honorable Roy Arledge Rep. District 83, House Office Bldg. Austin, Texas.

Sincerely,  
Hamlin Ministerial Alliance  
William Irwin president  
Royce Womack secretary

## Fancy car: Buick Special V-6

Fancy. But not too fancy. Just enough to make your friends think you've found oil in the basement. You may think so, too, when you get acquainted with Buick's V-6—the best thing that ever happened to 6 cylinders. Its 225 cu. in. delivers 155 h.p., without delivering you to the gas station all the time. As to the plain, homely price: you'll find it looks restful in the family budget. We design the Buick Special so you can drive a Buick and still enjoy the other good things in life. See your Buick dealer. Remember: a Buick for only \$2343.00\*. That's the plain, honest (inspiring) truth.

Plain price: \$2343.00

\*Manufacturer's suggested retail price for Special V-6 2-dr. coupe. Price includes Federal Excise Tax and suggested dealer's delivery and handling charge (transportation charges, accessories, other optional equipment, state and local taxes additional).

Wouldn't you really rather go first class?

See your local authorized Buick dealer

Hamlin, Texas

## Former Resident, Dorthelia Brown, Wed in Silsbee Friday

Marriage vows were exchanged in Silsbee in the Woodrow Baptist Church of Silsbee Friday evening at 7:30 p. m. by Dorthelia Brown and Billy Guy Owens.

Parents of the couple are Mr. and Mrs. Cyriel L. Brown, former residents of Hamlin, of Silsbee, and Mr. and Mrs. T. H. Owens of Buna. Mr. and Mrs. Lawrence Griffin of McCaulley are grandparents of the bride. Vows were read by Rev. Charles Pringle.

Given in marriage by her father, the bride wore a formal gown of white peau de soie with jacket of Chantilly lace designed with long sleeves, fitted bodice and round scalloped neckline. The bouffant skirt was accented with a lace inset

MRS. BILLY GUY OWENS  
... formerly Dorthelia Brown

in the front and a train of white organza edged with scallops of Chantilly

Attendants were Connie Elizabeth Brown, sister of the bride, maid of honor; Brenda Audas and Charlotte Johnson Jasper, bridesmaids, all of Silsbee.

Cecil Parson of Buna was best man. Groomsmen and ushers were Don Smith, Gehrig Brown, Wiley Brown, and Robert Charles Lane.

The reception followed in the Fellowship Hall.

Following a wedding trip to Galveston the couple will be at home after Feb. 15, in Buna.

The bridegroom is attending Lamar Tech of Beaumont and is employed at East Texas Pulp and Paper Company in Evadale.

The bride a graduate of Silsbee High School, is a niece of Mrs. Jack Russell, Mrs. Don Pyron, Buford Griffin, all of Hamlin, and Alfred Griffin of McCaulley.

## Covered Dish Affair Held by Naomi Sunday School

The Naomi Sunday School Class of the First Baptist Church met Feb. 9 for a covered dish luncheon in the home of Mrs. A. Branscum.

Mrs. Bonnie Bingham brought the devotional on "What Is Time? The hostess were Mrs. Branscum, Mrs. Jack Pemberton, Mrs. Jack Wright, Mrs. Ernest Lee and Mrs. Weldon Carter.

Visitors were Mrs. Alton Mayfield and Mrs. A. H. Riley.

Others present were Lucille Cunningham, teacher, Martha Rhoton, Madge Rich, Erma Hall, Jewell Hargrove, Lola Donham, Lillian Greer, Inez Hall, Ilyn Parker.

"Happy Birthday" was sung for Mrs. Cunningham and Mrs. Greer.

## Junie Jordan and James Boiles Wed Here February 12

Mr. and Mrs. C. J. Jordan are announcing the marriage of their daughter, Junie, to Mr. James Boiles. The couple was married Feb. 12 at 8:30

## KEEPING UP TO DATE ---

Mrs. Mary Y. Newberry

### THE DESIGN TRENDS

This spring prints may be bold and giant sized.

### THERE WILL BE PATTERN-WITH-PATTERN

This is a wonderfully fresh and imaginative young look seen throughout the market which artfully combines various sizes and types of patterns with the greatest of ease. New two-togethers scramble stripes and dots, tweeds and prints, or plaids and stripes.

### THERE WILL BE "LOTS OF DOTS"

The selection of dots runs from diminutive to saucer size in classic and abstract versions. Spots are happy on all types of fabrics from sportclothes to silks. Surprise color combinations of tangerine on grapefruit yellow, hot pink or scarlet or poison green on sky blue look newest. Clipped and flocked Swiss dots are favorites.

### CARNIVAL STRIPES

The greatest, gayest variety of stripes yet seen for over-the-counter will be available this spring. Stripes, in random widths range from delicate and feminine to bold and brazen.

### CHECKS ---

The simplest classic checks, both printed and woven, are an important trend on all fabric types.

### THERE WILL BE NOUVEAU PLAIDS

Magnified abstract plaids printed or cut on the bias create striking new textile designs. Many also offer a simplified companion plaid or stripe.

### MODERN ART WILL ALSO BE SEEN:

Stylized abstractions featuring bold strokes, enormous blocks, or dramatic geometric shapes in startlingly large repeats are especially powerful in the dramatic contrast of black and white.

### FABRIC HIGHLIGHTS WILL FEATURE: SCULPTURED AND DIMENSIONAL FABRICS:

They will be achieved through printing, weaving, stitching, embossing or lamination. Many of these fabrics, because of their raised, puffed quality, give the effect of being quilted, a most desired attribute this season. The establishment of lace is a leading fashion fabric highlight; Heavy venose lace imported cotton cluny lace newest in geometric or stripes designs. Lavish embroidery and applique-work further enhance many fabrics.

BEGUILING SHEERS FOR FEMININE FLATTERY have a fragile look in new, not so fragile, polyester blends. Flowing chiffon and voile, available plain or delicately printed; the return of georgette and the introduction of gauze; jacquards; the frosty appeal of chambray; and the young, demure look of dotted swiss in woven and flocked versions; all are equally

p. m. in the Foursquare Church parsonage.

The ceremony was read by the pastor, Rev. Spencer Liles. The couple will reside in Sweetwater.

enchanting in an array of melting pastels. Soft, drapable fabrics contribute to fashion's feminine mood. Supple crepe, seen in many new guises, will be highlighted. Gentle rippled crinkle and crepon crepes star in cottons, silks, miracle blends and sheerest wools.

### SPRING PRESENTS THE CLASSICS

in smoother, more subtly surfaced textures. Twill weaves, in fine line versions, rate high in cotton, silks, wools and numerous blends. Stressed are baradine, whipcord, cavalry twill and flannel in addition to herringbone and tweed variations. The perennial appeal of linen in pure flax plus many new fabrics and blends will be seen in various weights, in fine to coarse textures. Honan, new this season in easy-care Arnel,

and shantung provide the background for many of the season's best prints.

There will be exciting novelty knits, in a variety of new stitches and new fiber mixtures. Knits may be straw-like or linen-like in raschel, hand-crocheted, chenille or ribbon-type weaves.

There will be coated fabrics... Mock leather, a new 100% cotton fabric treated with a silicone resin coating that simulates the supple look and feel of genuine leather, is one of the newest textile developments. Boasts include washability, dry cleanability, and water repellency; lets you wipe away wrinkles. Vinyl coated cotton prints with a patent leather shine are offered for the rainwear, sailing jackets and decorative uses.

STRETCH is still a popular week attending the Joint fabric for active people. The

THE HAMLIN HERALD  
Hamlin, Texas, Thursday, February 18, 1965

PAGE FIVE

variety continues to soar. Effective merchandising and intensified education at all levels are vitally necessary in order to better acquaint the consumer to the virtues stretch fabrics have to offer for all apparel applications. The "living dimension" in stretch fabrics allows for maximum comfort plus better fit, longer wear, superior recovery, increased wrinkle resistance and greater freedom of movement. Stretch fabrics are clearly here to stay.

Jerry Williams, manager of the Plains Co-op Oil Mill, and Watts Fletcher, manager of the Hamlin Farmers Coop Gin, were in Houston early this week attending the Joint annual meeting of the Texas Fed-

eration of Cooperatives, Texas Cooperatives and Ginners Association and Houston Bank of Cooperatives. They returned Wednesday.

## Dinner Honors Mrs. Florence Bonner On 97th Birthday

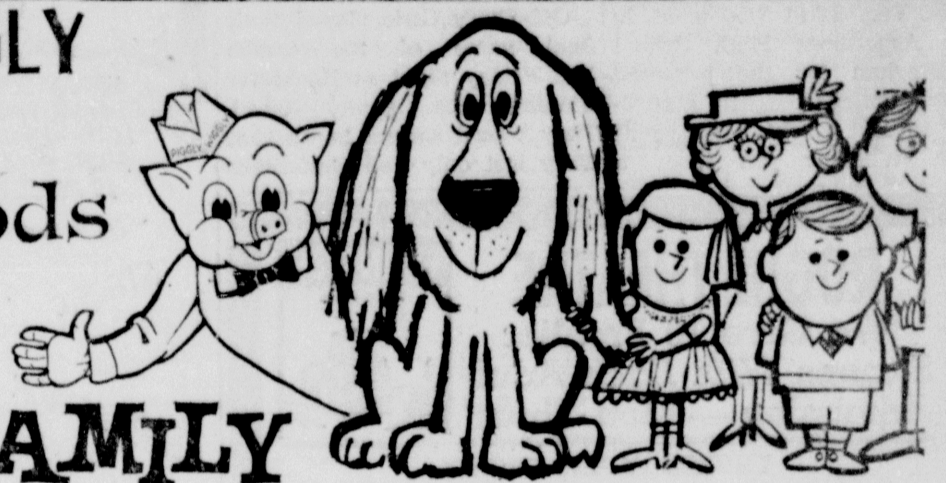

Mrs. Florence Bonner was honored on her 97th birthday Wednesday with a dinner in the home of her son Harold Bonner, where she has lived for the past four and one half years.

Another son, C. S. Bonner and Mrs. Bonner of Snyder, came for the special occasion.

William Herschel, famous 18th century astronomer, was a professional musician.

## OLD GLORY...

BY JUDY WHITE  
The Variety Club met Tuesday, Feb. 9, in the home of Mrs. Bill Wright. After a business meeting the group played word games.  
Mrs. John L. Barner of Aspermont will be hostess for the next meeting on Feb. 23.  
About one-half inch rain fell over the Old Glory area last week.  
Mrs. Jack Doty of Las Vegas, Nevada, is here visiting her parents, Mr. and Mrs. W. G. Wienke. Mr. Wienke returned home last week after spending several weeks in a rest home in Lubbock. Also visiting with the Wienkes last week-end were their sons, Roy and Les Wienke, both of Lubbock.  
A meeting has been scheduled Feb. 24 at 7:30 p. m. in the Aspermont High School Auditorium for the proposed Junior College program according to last week's Aspermont Star. Whether you favor a

Junior College in this area or not, it is important to the citizens of this community to attend. Mr. Musgraves of the Junior College Board at Austin will discuss the program.  
Old Glory school will participate in District 13B literary and tennis events this year. Other schools in the district are Avoca, Eula, Hawley, Lueders, McCauley and Noodle. The schedule for this year's Interscholastic League events include: One-act Play contest at Hawley, Apr. 2; District Literary events at Avoca April 9. Regional events at Stephenville, April 23, the State contests are scheduled for May 6, 7, and 8.  
**BASKETBALL:**  
Old Glory Girls played their final game of the season last Friday night at Rochester winning the game, 60-43. They placed second in district. They lost only two conference

## FACTS AND FALLACIES ABOUT YOUR HEART

**FALLACY:** MOST CASES OF HEART ATTACK AND STROKE ARE HOPELESS!

**FALLACY:** HIGH BLOOD PRESSURE IS "NORMAL" AFTER MIDDLE AGE!

**FACT:** WITH MODERN METHODS OF TREATMENT MOST VICTIMS RECOVER AND LEAD PRODUCTIVE LIVES!

**FALLACY:** RHEUMATIC FEVER (FREQUENT FORERUNNER OF RHEUMATIC HEART DISEASE) IS "CATCHING!"

**FALLACY:** CHILDREN BORN WITH HEART DEFECTS CAN'T ENJOY ACTIVE LIVES!

**FACT:** NOT SO! BUT "STREP" THROAT, WHICH CAN LEAD TO RHEUMATIC FEVER IF UNTREATED, IS INFECTIOUS!

**FACT:** TODAY FOLLOWING HEART SURGERY, MOST FACE A NORMAL OUTLOOK!

**STROKE**

**HEART ATTACK**

**RHEUMATIC FEVER**

**INBORN HEART DEFECTS**

**FALLACY:** THE HEART FUND IS A ONE-DISEASE CAMPAIGN!

**FACT:** THERE ARE MORE THAN 20 FORMS OF HEART DISEASE AND MANY TYPES OF BLOOD VESSEL DISEASE! THE HEART FUND FIGHTS THEM ALL!

## Sterile Screwworm Flies Not Being Released in U.S. Now

**MISSION** — Sterile screwworm flies, which have been released by the billions during the three years this campaign against the costly livestock pest has been in existence, are no longer being dispersed in the United States, but instead are virtually all being air dropped in northern Mexico, according to County Agent, Kirby Clayton.  
No sterile flies will be released in Texas or neighboring states except for those required to treat isolated screwworm outbreaks that may occur this year, eradication officials have announced.  
This action is expected to greatly decrease the possibility of the Southwest becoming reinfested as a result of fertile flies migrating northward out of Mexico where the insect has not yet been eradicated. Fertile flies, when mated with the sexually-sterile, plant-reared flies, do not produce offspring.  
The move is part of the second step in the eradication program, that of establishing a fool-proof barrier zone along the international boundary to prevent reinfestation of "screwworm-free" areas. Attainment of the first goal—eradication of the insect from the Southwest—was declared a year ago by the U. S. Department of Agriculture and its partners in the project, the Texas Animal Health Commission and Southwest Animal Health Research Foundation.  
Although the barrier zone stretches from the Gulf of Mexico to the Gulf of California, eradication efforts are presently concentrating their resources on the eastern and western coasts of Mexico where colonies of fertile screwworms pose the principal threat to the Southwest.  
With fly drops discontinued in Texas, eradication workers will be relying heavily on farmers and ranchers for information on infestations that result from flies that do manage to slip through the barrier. Further outbreaks can be headed off if cases are treated during the early stages of development, Clayton said.

games, both to Paint Creek. They played a total of twenty-nine games this season. They won twenty and lost nine.  
The boys were defeated, 54-45 in their game with Rochester that night.  
**THE 4-H**  
The Old Glory Senior 4-H Club met on Wednesday, Feb. 10, after school. Rita Baldree led the Motto, Pledge and Prayer. Nancy Vahlenkamp, president, presided for the business meetings. The group voted to have a family night on March 5 Recreation and de-

coration committee members for the event are Marvin Vahlenkamp, Mike Baldree, Stephanie Letz, Kenneth Jones and Judy White. Refreshment committee includes Reva Letz, Rita Baldree, Brenda Palmer, Carolyn Sander, Judy Sander, Nancy Vahlenkamp and Stanley Diers.  
Mike and Rita Baldree served refreshments. Adult leaders Mrs. Anita Baldree and Mrs. Bernice White were present.  
Judy Sander has been appointed to direct the March of

## Frying Chickens Rated Good Buy A & M Specialist

**COLLEGE STATION** — Frying chicken continues to represent a good buy for the consumer, says Mrs. Gwen Clyatt, Texas A & M University Extension Service consumer marketing specialist.  
The fryers are low-cost and high-quality items. With the plentiful supply of oranges now on the market, homemakers may want to flavor the fried chicken dish with fresh orange juice.  
There are attractive price tags on Grade AA and Grade A large size eggs.  
Red meat prices are below price levels of a year ago. Many markets are featuring specials on beef T-bone, sirloin and other popular steak cuts. Roasts of several types, including boneless rolled beef roasts, are attractively priced.  
Cottage cheese is an excellent and versatile dairy product and combines well with many fruits now on the market. Citrus and apples highlight fruit counters—with plentiful supplies of grapefruit, navel oranges, temple and juice oranges. Some tangerines and tangelos remain available.  
Prices on head lettuce are a bit lower, and the quality is improving. Carrots, eggplant, cabbage, celery, waxed rutabagas and cauliflower are among the better choices in fresh vegetables. Green beans are featured times in some stores for week end shoppers.

Within a radius of 50 miles in the southwest section of Maine are towns named China, Norway, Naples, Athens, Peru, Denmark, Belgrade, Detroit, Poland, Dresden, Malerno, Belfast, Mexico, Paris, Lisbon, and Frankfurt.
